*Marguerite C. Sendall*

- Introduction 184
- Government’s role in health 185
- Australia’s healthcare system 187
- The policy environment 189
- Evidence for policy 191
- Ethical advocacy 193
- Summary 196
- Tutorial exercises 197
- Further reading 197
- References 197

## Chapter 11  Human rights, social justice and public health
*Ann Taket*

- Introduction 201
- What are human rights? 202
- Why are human rights important to public health practitioners? 206
- Holding governments to account 208
- Human rights and empowerment 211
- Summary 213
- Tutorial exercises 213
- Further reading 214
- References 214

## Part 3  Public health and research

## Chapter 12  Qualitative research methodology and evidence-based practice in public health
*Pranee Liamputtong and Zoe Sanipreeya Rice*

- Introduction 220
- Qualitative research 221
- The nature of qualitative research 222
- Why qualitative research in public health? 224
- Evidence-based public health and qualitative research 227
- Summary 231
- Tutorial exercises 231
- Further reading 232
- References 232

## Chapter 13  Assessing the health of populations: Epidemiology in public health
*Patricia Lee*

- Introduction 238
- Highlights of the definition of epidemiology 238
### Chapter 14  Planning and evaluation of public health interventions

*Stuart Wark*

**Introduction**

- Why plan? Development of a public health intervention
- The role of evaluation

**Summary**

- Tutorial exercises
- Further reading
- References

---

### Part 4  Public health issues and special populations

#### Chapter 15  The health of children: The right to thrive

*Lisa Gibbs, Elise Davis, Simon Crouch and Lauren Carpenter*

**Introduction**

- Prevention of overweight and obesity in childhood
- Child oral health
- Children in same-sex parent families
- Children and mental health

**Summary**

- Tutorial exercises
- Further reading
- References

---

#### Chapter 16  Adolescence, health, social problems and public health

*Jessica Heerde and Sheryl Hemphill*

**Introduction**

- Internalising and externalising problems
- Homelessness
- Alcohol, tobacco and other drug use
- Bullying and cyberbullying perpetration and victimisation

**Summary**

- Tutorial exercises
- Further reading
- References
# Table of Contents
