

INDEX

Literary works are normally indexed under the name of their author, but are indexed under their title if either they are anonymous or they have more than one author.

Fictitious places and persons in 'Gulliver's Travels' are indexed under the main entry for that work. However, real places and persons referred to in 'Gulliver's Travels' have their own main entry.

- Abbot, George 196
 Académie royale des sciences 538
 Act of Union (1707) liii, 137, 180
 Actium, battle of lxii, lxiii, 301–2
