Cambridge University Press & Assessment has no responsibility for the persistence
or accuracy of URLs for external or third-party internet websites referred to in this
publication and does not guarantee that any content on such websites is, or will
remain, accurate or appropriate.

Every effort has been made in preparing this book to provide accurate and up-to-date information that is in
accord with accepted standards and practice at the time of publication. Although case histories are drawn
from actual cases, every effort has been made to disguise the identities of the individuals involved.
Nevertheless, the authors, editors, and publishers can make no warranties that the information contained
herein is totally free from error, not least because clinical standards are constantly changing through
research and regulation. The authors, editors, and publishers therefore disclaim all liability for direct or
consequential damages resulting from the use of material contained in this book. Readers are strongly
advised to pay careful attention to information provided by the manufacturer of any drugs or equipment
that they plan to use.

Contents

List of Contributors vii

1	Fertility Assessment and Fertility Preservation Options 1	9	Nonpregnant and False-Positive Causes of β-hCG Elevation 132
	Anna Claire Reynolds, Terri L. Woodard, and Laurie J. McKenzie		Timothy N. Dunn and Denise R. Nebgen
2	Abnormal Uterine Bleeding 24	10	Cancer and Pregnancy 147
	Denise R. Nebgen and Dawn Palaszewski		Jenifer Dinis Ballestas
3	Hereditary Gynecologic Cancer Predisposition Syndromes 38	11	Survivorship Care of Gynecologic Cancer 179
	Molly S. Daniels, Denise R. Nebgen, and Neil Ryan		Ana C. Nelson and Therese B. Bevers
4	Managing Sexual Health Through Treatment and Survivorship 60	12	Anal and Colorectal Cancer 200
	Jessica F. Moore and Kristin E. Rojas		Emma B. Holliday, Van K. Morris, and Craig Messick
