Every effort has been made in preparing this Element to provide accurate and up-to-date  
information that is in accord with accepted standards and practice at the time of  
publication. Although case histories are drawn from actual cases, every effort has been  
made to disguise the identities of the individuals involved. Nevertheless, the authors,  
editors, and publishers can make no warranties that the information contained herein is  
totally free from error, not least because clinical standards are constantly changing through  
research and regulation. The authors, editors, and publishers therefore disclaim all liability  
for direct or consequential damages resulting from the use of material contained in this  
Element. Readers are strongly advised to pay careful attention to information provided by
