- Humanitude technique, 60–61, 62
- incidence and prevalence of dementia, 77
- need for human contact, 55
- and social isolation, 70
- in Sweden, 240
- annuities, financial planning, 159
- anti-inflammatory drugs, 127

- Art of Seeing* photography project, 230–234
- art therapy, 81; *see also* creativity
- arthritis, 114, 124
- arts-focused co-housing
 community, California, 72–73
- asking for help, 31
- assets that matter, 203, 210
- assisted living arrangements, 178
- atherosclerosis, 104–106; *see also*
 cardiovascular disease
- autoimmune disease, 119
- autonomy through adaptability,
 29–31
- avocations, 15–16
- B cells, immune system, 118–119
- Bader Ginsburg, Ruth, 259
- Barrios, David, 215, 216–221, 260
- baskets, symbolism of, 218
- beauty, natural world, 230–234
- Beers list drug directory, 82
- Being Mortal* (Gawande), 199
- bereavement *see* grief and loss
- beta-amyloid brain clearance,
 81–82
- biblical references, 165
- Biden, Joseph, Jr. 259
- bike lanes, Sweden, 241
- bisphosphonates, bone mass,
 89–90
- blessings of old age, 22–28, 258; *see also* gratitude
- blood pressure, high, 99–102,
 102, 103
- Bloomberg *Healthiest Country Index*
 (2022), 7
- blue colors, healing power of, 236
- Blue Zones, 5–6, 18–20, 29, 52, 75
- Bob's Red Mill Natural Foods,
 43–49
- Body Mass Index (BMI), dementia
 prevention, 80
- bonds (fixed income investments),
 159–160
- bone fractures *see* fractures
- bone mass, 87
 alcohol and tobacco, 89–90
 calcium, 87, 89
 exercise, 87, 88
 falls, 90–92
 vitamin D, 87, 88–89
- brain health and dementia
 prevention, 74–75
- brain changes throughout
 lifespan, 75–77
- cognitive training, 80–81
- creative activities, 81
- diet, 80
- education, 82
- exercise, 79–80
- hearing aids, 82
- managing health problems, 83
- medication, 82
- promoting, 79
- sleep, 81–82
- social isolation, 83–84
- brain plasticity, 81; *see also*
 adaptability
- breathing changes, signs of
 approaching death, 200–201
- broken bones *see* fractures
- Brussels sprout salad recipe, 265
- Buettner, Dan, 254–255
- burden to others, fears of being,
 198–199
- caffeine, 96–98
