> The texts in this edition are based on The Cambridge Edition of the Works of Jane Austen (2005–8), with grateful acknowledgement. Readers interested in a more detailed textual account and in further exploration of the novels and their publication history should consult those volumes. The present edition contains explanatory endnotes: under thematic headings, they provide information on a cultural, historical and literary context that might be unfamiliar to a modern reader. A few footnotes indicate words that have changed meaning between Austen's time and our own.
