Every effort has been made in preparing this book to provide accurate and up-to-date information which is in
accord with accepted standards and practice at the time of publication. Although case histories are drawn from
actual cases, every effort has been made to disguise the identities of the individuals involved. Nevertheless, the
authors, editors and publishers can make no warranties that the information contained herein is totally free from
error, not least because clinical standards are constantly changing through research and regulation. The authors,
editors and publishers therefore disclaim all liability for direct or consequential damages resulting from the use of
material contained in this book. Readers are strongly advised to pay careful attention to information provided by
the manufacturer of any drugs or equipment that they plan to use.
