- disclosure requirements in, 197–200
- dispute settlement provisions in, 24
- enforcement provisions, 83–85
- exclusive right to import and, 175–177
- extensive protections beyond provisions of, 8–10, 84n.77
- fair use/fair dealing framework in, 135–139
- free trade agreements and provisions of, 20–24, 30–36
- incorporated treaties in relation to, 64–65
- international framework for, 15
- interpretation of, 43–67
- inventive step criteria and, 97n.23
- key features of, 24–30
- minimum standards framework in, 19–20, 47–48
- national law object and purpose in relation to, 65–66
- New Zealand patent terms and, 110n.84
- open-textured terms in, 47n.17
- ordinary meaning principle and, 59
- overview, 8–10
- parallel importation and, 160–162
- patentable subject matter in, 94–99
- patents and parallel imports and, 174–175
- patent term extension in, 105–112
- pharmaceutical patents and, 6n.17, 8n.25
- preamble of, 63–64
- rental rights and parallel importing and, 168–171
- research and development subsidies in, 81
- sector specificity absent in, 85–87
- small market economies and, 90–91, 207–212
- structural features of, 25–27
- subject matter coverage in, 27–30, 94–99
- trade marks criteria in, 17n.59, 144n.4, 149–150, 211–212
- trade policies and, 21n.9, 121–123
- traditional knowledge protection and, 187
- treaty interpretation and rules of, 55–57
- US and EU negotiations on, 4–7
- as wealth transfer, 78–80
- aircraft industry
  - dispute over subsidies for, 82–83
  - patents as subsidy equivalent in, 84
  - amber light subsidies, 81n.60
- Anti-Counterfeiting Trade Agreement (ACTA), plurilateral intellectual property negotiations and, 12–13
- ASEAN–Australia–New Zealand Free Trade Agreement (AANZFTA), 20–24, 36–41
- ASEAN member states, Singapore free trade agreements and, 36–41

- ASEAN Patent Examination Co-operation, 98n.29
- Australia
- copyright protection in, 120–121, 129–130
  - creative sector copyright and parallel importation and, 171–174
  - examination of patents in, 98
  - experimental use exemptions and exceptions and, 112–115
  - fair use exceptions in, 139–141
  - invention definition in, 96n.17
  - parallel importing restrictions in, 168n.40
  - permitted acts exception to copyright and, 139n.123
  - Singapore trade agreements with, 39–40
- Australia-United States Free Trade Agreement, 10n.36
- authorship
- parallel importation and creative sector copyright, 129–130
  - scope of copyright law and, 118–123
- automobile industry, parallel importing and, 168–171
- bad-fit intellectual property policies, small market economies and, 76–78, 90–91
- Berne Convention for the Protection of Literary and Artistic Works, 6–7
- calibration of interests in, 41–42
  - copyright protection in, 27–30, 123–126, 126nn.50–51
  - distribution rights and, 163–166
  - fair use/fair dealing in, 135–139
  - free trade agreements and, 30–36
  - industrial design copyright, 126–128
  - interpretation of, 43–47
  - national treatment principle and, 25–27
  - parallel importation and copyright protection in, 162–163
  - quotations exception in, 137n.114–138n.114
  - small market economies and, 207–212
  - three-step test in, 123–126
  - trade protectionism in, 35n.101, 121–123
  - TRIPS Agreement structure and, 27–30, 64–65
- Bhagwati, J., 31–33
- bilateral investment treaties (BITs), 51–55
- bilateral negotiations on intellectual property, 12–13
- most-favoured nation principle and, 35–36
