Figures

3.1 Proportion of constitutions in force that provide for public ratification

3.2 Proportion of constitutions in force that specify some promulgation procedure

4.1 Countermajoritarian provisions typology

4.2A Model 1

4.2B Model 2

4.3 Spatial preference map, countermajoritarian equilibrium (outcome D)

4.4 Spatial preference map, authoritarian equilibrium (outcome G)

4.5 Spatial preference map, an equilibrium with mutual defection

8.1 Scale and probability of amendment given supermajority rule

8.2 Scale and probability of amendment given simple-majority rule

9.1 The eighteen clauses in Article I, Section 8

9.2 Economic analysis of enumerated powers

13.1 Percent of countries with executive term limits, by type of limits

13.2 Mean tenure and mean permitted tenure over time

13.3 Percent of countries with executive term limits, by region

13.4 Maximum tenure for heads of state (combines term length and term limits)

13.5 Probability of maximum tenure evasions by executives by year

13.6 Probability of maximum tenure evasions by executives by year and region

13.7 Logistic regression model predicting successful term limit violations
Tables

3.1 Actors and processes (N = 460)  page 37
3.2 Constitutional design processes and average de jure parliamentary power  46
3.3 Proportion of constitutional texts containing de jure parliamentary power provisions, by design process  46
3.4 Proportion of constitutions containing direct democracy provisions, by use of referendum  55
3.5 Proportion of constitutions containing selected rights provisions, by use of referendum  56
5.1 Summary of constitutions and practices  109
8.1 Panel summary statistics  200
8.2 Aggregate summary statistics  201
8.3 Amendment rates using aggregate data  203
8.4 Panel negative binomial results  204
8.5 Estimates of amendment probability  207
8.6 House-legislative rule interaction  210
12.1 Survey results for selected nations  331
13.1 Punctuality and mode of exit  361
13.2 Average number of years with a conflict by overstay status  369
13.3 Analysis of overstay recurrence  371
13.4 Mean level of democracy (as measured by polity) by initial regime type and overstay status  372
