INDEX

- ABCX model, 66
 advice, 189
 advice response theory, 198, 199, 201
 age-gap relationships, 84
 ambiguous loss, 68, 69, 70, 72, 73, 74
 applications on smartphones, 12
 attachment theory, 22, 64, 72, 73, 74
 authoritarian structure, 61, 74
 availability heuristic, 109
 awareness, 196
- balance theory, 110, 179
 behavioral intentions, 111, 112, 113, 172
 belongingness needs, 96
 boundary ambiguity, 69, 70
- chat rooms, 12
 child rearing advice, 191, 193, 194
 coercive power, 117
 cognitive biases, 116
 cognitive consistency, 110
 cognitive dissonance theory, 151
 cognitive interdependence, 87, 174
 commitment, 4, 15, 18, 20, 22, 71, 87, 88,
 107, 108, 111, 112, 113, 114, 115, 116, 126, 129,
 132, 133, 134, 149, 158, 162, 164, 174, 176, 180,
 181, 188
 communication, 188, 198
 communicative influences on romantic
 relationships, 4
 compatibility, 14
 compliance, 117, 118, 121
 computer mediated communication, 13
 contextual family stress model, 67
 couple disclosure, 5
 couple forgiveness, 172, 175
 cross-cultural differences, 13
 cultivation orientation, 157, 158
- dating advice, 190, 191
 dating relationships, 128
 defiance, 160, 162
 defiance hypothesis, 161
 deliberative mindset, 128, 129
 destiny beliefs, 159
 difficulty with reintegration, 72
 disclosure, 130, 131, 133, 136, 137, 138, 139, 177
 divorce, 37
 double ABCX model, 67, 68
- eHarmony, 14
 emotional intensity theory, 151, 152
 emotional interdependency, 36
 evaluation orientation, 157, 158
 exchange networks, 40
 expansion of the European Union, 20
 experience sampling, 41
 external influences, 1
- Facebook, 11, 17, 18, 19, 35, 106, 202
 face-threat, 197
 family influences on relationships, 16
 family relationships, 58
 family stress theory, 66, 72, 73, 74
 feature matching model, 109
 forbidden fruit hypothesis, 151
 forgiveness, 172, 173, 174, 175, 176, 181,
 182, 183
 formation of relationships, 11
 frustration-attraction hypothesis, 151
- genetic factors in compatibility, 14
 geographic mobility, 62
 ghettoization, 21
 globalization, 2, 11, 24, 25
 globalized relationships, 15
 growth beliefs, 166

- HIV-related stigma, 92
- immune system and couple compatibility, 14
- implemental mindset, 129
- independence hypothesis, 161
- individualism, 15
- injunctive norms, 107
- institutional marginalization, 88, 90, 91
- institutionalized discrimination, 95
- interactive networks, 41, 105
- intercultural marriages, 15, 16
- interdependence theory, 173
- interference from partners, 70
- international migration, 15
- internet, 11
- internet generation, 25
- investment model, 15, 87, 108, 109, 132, 149
- investments, 2, 33, 34, 35, 36, 37, 38, 41, 42, 43, 45, 46, 47, 51
- jealousy, 19, 25
- legitimate power, 120
- long-distance relationships, 19
- looking glass reflection, 110
- marginalized relationships, 4, 83, 84, 85, 92, 95, 142
- moral outcasts, 24
- mortality salience, 22
- mother-in-law effect, 175
- motivation to comply, 4, 112, 113, 114, 117, 118, 120, 121, 122, 201
- natural disasters, 23
- network perceptions of daters' romances, 4, 127
- network size, 42
- network structure, 37, 38, 42, 49, 51
- normative beliefs, 4, 112, 113, 114, 115, 116, 121, 141
- observations by social network members, 5, 138, 139
- online dating, 12, 13, 14
- online dating websites, 13
- online forums, 12
- online gaming, 12
- outside interference, 5
- pandemics, 2, 23, 24
- parental disapproval, 149
- parental interference, 149, 150, 151, 161
- perceived marginalization, 86, 87, 88, 90, 94, 96
- periodic separations, 63
- personal websites, 12
- photo/video sharing, 18
- physical health, 4
- positive illusions, 117
- power, 117, 118, 120
- prejudice and discrimination, 3, 83, 89, 91, 92, 97
- premarital cohabitation, 192
- primacy of the mission, 61
- psychological network, 105
- psychological reactance, 160
- public demonstrations of love, 18
- reactance theory, 151
- referent power, 120
- rejection-sensitivity, 93
- relational turbulence model, 70, 73, 74
- relational turmoil, 110
- relationship advice, 6, 118, 188, 189, 190, 192, 195, 196, 199
- relationship amplification hypothesis, 21
- relationship appraisals, 131, 134, 135, 137, 141
- relationship expertise, 118, 119, 121
- relationship growth, 156
- relationship illusions, 116
- relationship satisfaction, 19, 20, 92, 116, 117
- relationship secrecy, 4, 87, 88, 90, 95
- relationship stability, 4, 108, 109
- relationship status, 18, 87, 89, 92
- relationship transitions, 129, 130, 131, 191, 195
- reward power, 117
- risk of disaster, injury, and death, 63, 74
- romantic destiny, 156, 159, 166
- Romeo and Juliet*, 5
- Romeo and Juliet effect, 5, 148, 149, 150, 158, 159, 160, 161, 166, 167
- safe sexual practices, 192
- same-sex relationships, 84
- scarcity effect, 151
- self-esteem, 19
- self-perception, 141
- self-transcendent values, 21
- sentimental ties, 38
- serial relocations, 62
- siblings, 192
- social acceptance, 86
- social capital, 18, 33, 34, 38, 42, 43, 48, 50
- social capitalization, 2, 33, 35, 38, 41, 42, 43, 44, 45, 46, 48, 49, 51
- social complexity, 21
- social consequences of compliance, 118, 119
- social influence, 2, 111, 115, 117, 120, 189
- social interaction, 35
