 in standard surveys, 486–89
 statistical methods, 489–98
- nonresponse, 12, 14, 21, 22, 28, 46, 58, 59, 60, 61, 62, 65, 68, 70–71, 75, 85, 92, 96, 99, 118, 119, 146, 150, 227, 230, 233, 236, 238, 239; *see also* hard-to-persuade populations; response rates
 contact attempts, 12, 89, 556, 562
 contact rates, 72, 556, 566, 623
 noncontacts, 12, 141, 230, 231, 238
 noncooperation, 12, 230
 nonresponse bias, 92, 99, 238, 427, 437, 553, 619, 633, 637
 response rates, 12, 63, 75, 99, 230, 542, 543
- overcount, 43, 294, 295, 296, 297, 299, 473, 605, 606; *see also* census
- panel survey, 10, 287, 407, 408, 409, 563, 568, 629
 attrition, 542, 543, 546, 547, 553, 563, 565, 568, 619, 620, 623, 624, 625, 628, 630
- Panel Survey of Income Dynamics (PSID), 10, 564
- persons with intellectual disabilities/cognitive impairments; *see* vulnerable populations
- persons with mental illness; *see* vulnerable populations
- persons with physical disabilities/impairments; *see* vulnerable populations
- political extremists, 29, 379–94
 definition, 379–80
 ethical considerations, 392–94
- poverty, 27, 31, 100, 157, 180, 202, 203, 294, 310, 401, 402, 408, 409, 468; *see also* European Union Surveys of Income and Living Conditions (EU-SILC)
- prisoners; *see* incarcerated persons
- proxy, 468, 469, 470–73, 478, 479, 481, 483, 563
- rare populations, 4, 5, 6, 21, 85, 401, 405, 409, 410, 412, 417, 425, 445, 504, 520
 definition, 22
- respondent-driven sampling, 87, 93, 97, 100, 140, 181, 227, 251, 371, 389, 417, 425, 428, 435, 446, 462, 465, 485, 504, 508–10, 512, 513
- response rates, 3, 8, 11, 12, 13, 22, 28, 58, 59, 60, 61, 62
 contact attempts, 12, 89, 556, 562
 contact rates, 72, 556, 566, 623
 contactability, 12, 372, 557
 noncontacts, 12, 141, 230, 231, 238
 noncooperation, 12, 230
 persons with physical disabilities/impairments (*see also* vulnerable populations)
 hearing impaired, 304
 visually impaired, 348
 resistance, 12, 13, 295, 549, 602
 unable to respond, 361, 362 (*see also* proxy)
- sampling, 93–94; *see also* indirect sampling; link-tracing designs; measurement error; nonresponse; respondent-driven sampling
 disproportionate sampling, 26, 85, 469, 473–75, 477, 478
 eligible sample, 230
 frame, 3, 6, 21, 39, 45, 46, 91, 115, 116, 136, 140, 150, 210, 226, 230, 234, 238, 446, 450, 458, 462, 463, 468, 470, 475, 486, 547, 548, 553, 561
 capture–recapture method, 6, 94
 dual-frame, 5, 25, 172, 412
 population register, 25, 30, 41, 230, 232, 233, 234, 326, 468, 470
 telephone (*see* telephone)
 household structure (*see* complex household)
 indirect sampling, 445–65
 multiplicity sampling, 85, 117, 282, 503, 506
 nonprobability sampling, 85, 86, 90, 91, 403, 417, 418, 425, 438
 RDS (*see* respondent-driven sampling)
 snowball sampling, 85, 251, 262, 371, 385, 389, 416, 417, 418, 446, 460–62, 465, 504, 506
 population of inference, 229, 230, 402, 417
 probability sampling, 85, 86, 87, 90, 115, 161, 370, 371, 401–18, 424, 425, 427, 430, 435, 473, 474, 475, 478, 481, 504, 506
 addressed-based sampling (ABS)/area/geographical, 116, 167, 168, 251, 252, 411, 416, 469, 470, 505, 567

- center sampling (*see* location sampling)
- disproportionate stratification, 402, 404, 407, 408, 410–13
- intercept sampling (*see* location sampling)
- location sampling (*see* location sampling)
- random digit dialing (RDD), 4, 88, 115, 116, 251, 252, 424, 427, 437
- time-space sampling (*see* location sampling)
- venue-based sampling (*see* location sampling)
- sampling bias, 140, 427, 430, 431, 432 (*see also* coverage)
- sampling error, 90, 91, 94, 96, 97, 98, 407, 426–28, 435, 439
- target population, xxiii, 3, 4, 5, 7, 8, 9, 17, 21, 22, 31, 83, 85, 86, 88, 89, 90, 91, 92, 93, 96, 97, 98, 99, 114, 115, 116, 122, 123, 146, 162, 171, 172, 226, 230, 235, 238, 240, 245, 249, 250, 251, 252, 259, 260, 261, 262, 263, 264, 285, 297, 328, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 413, 414, 415, 416, 417, 418, 424, 425, 426, 427, 428, 429, 430, 431, 433, 435, 436, 437, 438, 440, 445, 446, 450, 454, 456, 463, 464, 508, 528, 619
- web-based sampling, 425, 428, 435–40 (*see also* survey mode)
- screening, 3–12, 21, 23, 25, 85, 91, 100, 226, 230, 234, 251, 252, 261, 354–56, 358, 363, 364, 388–89, 402, 404–10, 411, 417, 424, 427, 434, 436, 438, 505, 507, 508, 509
- proxy screening, 470, 471, 483
- sexual minorities, 249, 368, 370, 371, 427, 435, 436; *see also* HIV/AIDS
- bisexuals, 232, 235, 437
- gay men/homosexual men/men who have sex with men (MSM), 87, 91, 98, 401, 416, 431, 432, 433
- lesbians, 227, 232, 235, 370, 401
- transgender persons, 226, 227
- social desirability bias, 89, 91, 98, 100
- social media, 68, 371, 521, 604, 605, 612, 613, 615, 620, 625, 629–30; *see also* community-based research
- social marketing, 521, 602, 603
- stigma, 6, 249, 368
- child abuse, 218, 321, 324, 349, 375, 630
- domestic violence, 217, 317, 321, 328, 368, 371
- stigmatized populations, 6, 9, 99, 262, 286, 368–77; *see also* sexual minorities; social desirability bias
- confidentiality, 369, 373–76
- definition, 368
- drug users (illegal/illicit/injection), 9, 22, 28, 89, 92, 100, 181, 187, 212, 249, 309, 368, 370, 371, 374, 375, 401, 417, 427, 488, 503, 505, 551, 603, 619, 627
- ethical considerations, 369
