 Air Liquide (AL), xi, 4–5, 7, 10, 32, 46–47, 48–50, 64–66, 92, 93, 97, 105, 107–108, 122, 134, 149, 170, 173, 176, 197, 203, 222, 225, 247, 248, 250, 252, 295, 307, 312, 314, 317, 319, 367, 398, 421, 441, 451
 development to First World War, 67–70, 74, 76–81, 84, 101
 effects of Great Depression on, 126–128, 132
 in Asian market, 361, 363
 in Eastern Europe market, 405, 407, 409, 411
 in Japanese market, 326, 327, 329, 341, 367
 in Scandinavian market, 245
 in Second World War, 155–157, 160, 163
 in South American market, 418–419
 in US market, 254, 263, 265–266, 268–269, 280, 291–293, 346
 in Western Europe markets, 236–237, 240, 243, 353–354, 357, 359–360, 400–401
 involvement in mergers, 428–429, 431–435, 437

- Air Liquide (AL) (cont.)
 involvement in new processes, 371, 379
 market position through early 1960s,
 177–178, 180
 new applications by, 387, 389
 pioneering in pipeline distribution,
 198–199
 plans for entering German market from
 1950s, 216–218, 230–235
 strategic use of pipelines, 222–223
- Air Products (AP), xi, 9, 10, 13, 132, 170,
 179–180, 182, 186, 197, 206, 225,
 247, 318, 345, 390, 421, 435, 441,
 451
 development and implementation of new
 concept after Second World War,
 191–196, 199
 entry into UK market. *See* Air Products
 Ltd.
 entry into continental European markets,
 213–219, 226–232, 235
 founding through 1945, 152–154, 163–164
 in Asian market, 363, 365
 in Chinese market, 412–413, 415
 in East European market, 405, 407,
 420, 432
 in Japanese market, 327, 378
 in Latin American market, 418
 in Middle East Market, 417
 in Southern African market, 418
 in US market, 254, 258–260, 269, 273,
