

## INDEX

- Abraham, race of 67  
 advertising difference, Nike campaign (1995) 212  
 affirmative action 2, 93, 108, 151, 155, 160, 161, 169, 184, 185, 186, 188, 189, 190  
 Afonso Arinos Act (Brazil, 1951) 3  
 Africa  
   black racial groups in 2  
   Bushman (Boschiman) 70, 72  
   imperialism in 16  
   independence for nations in 88  
   ‘scramble for’ 59  
   *see also* South Africa  
 Afro-Cuban *brujos* (sorcerers, ‘fetishists’) 80  
 Agassiz, Louis 72  
 Algerians in France 210–13  
 Amaru, Andrés Tupac 48  
 Amazonian alterity (otherness) 9, 13–14  
 American Anthropological Association 88  
 American Declaration of Independence 16  
*American Journal of Physical Anthropology* 92  
 Amerindian facial hair 42  
 Les Amis des Noirs (The Friends of the Blacks) 61  
 anatomy as location of racial difference 70  
 ancestry  
   concerns with 32  
   English ideas of whiteness and darkness and 36  
   genomic diversity and 97–8  
   in Latin America, colonial emphasis on 47  
 Andean challenges to Spanish rule 48  
 Andean practices of performance and embodiment 158–9  
 Anguilla, censuses in, ‘ethnic’ enumerations in 108  
 animism 87  
 anthropology  
   academic teaching of 86  
   culture concept, Boas and 86–7  
   scientific racism, critiques from 88  
 anti-racism in Europe 195–7  
 anti-racist legislation in Europe 107  
 anti-racist legislation in Europe adoption of 195  
 Anti-Semitic League 75  
 anti-Semitism, biological racial theory and 75–6  
 appearance, issues related to 7  
 Argentina, *los negros* terminology in 127  
 Aristotle 18, 29, 30  
 Aryan race 87  
 Asian gangs in London 205–7  
 Asian Leicester 204–5  
 assisted reproductive technologies (ARTs) 122–4  
 Atlantic slave trade 9  
 Australia  
   Aboriginal land in 61  
   Aborigines in 68  
   adoption policy in 125  
   asylum-seekers in 113  
   censuses in, ‘ethnic’ enumerations in 108  
   non-white immigration, restrictions on 115  
   racial immigration policies of 113  
   terminology of racism in 2  
 Avicenna 34  
 Aztec empire 38  
 Baartman, Sara, case study of 69–71  
 Bacon, Francis 54  
   Baconian science 55  
*The Bell Curve* (Herrnstein, R. and Murray, C.) 93  
 Bermuda, censuses in, ‘ethnic’ enumerations in 108  
 Bidil (heart disease drug) 96  
 biological determinism 78  
   notions of 86  
   biological difference 5, 20  
 biology 8  
   anti-Semitism, biological racial theory and 75–6  
   biological criteria, race and 8  
   biologising, process of, cultural racism and 117  
   Boas and separation of culture and 85–6, 87  
   culture and, defining features of race 6  
   key aspect of racial thinking 63  
   racial definitions based on 5  
   racial thinking and 65–7, 75–6, 81  
 bio-power 63  
 Black Death 33  
 black Liverpool, geographies of race in 207–10  
 black reaction to racial theory 79–80  
 blackness as transnational construct 137  
*blanco* (white) 39  
 blood 20, 130, 218  
   ‘clean blood’ 32–4, 41, 192  
   kinship and 73, 122  
   ‘native blood’ 77  
   sexuality and 62–4  
   sharing blood 60  
   symbolics of 62, 63  
 Blumenbach, Johann 67  
   on human classification 67  
 bodily differences 20–1  
 bodily fluids, bodies shaped by 42  
 bodily substance, conceptions of 10  
 Bolivia  
   mixed populations in 138  
   mixed race people in, positivity about 138  
 Bonnavard, Odile 198  
 Bornu (northern Nigeria), black African Muslim king of 35  
 Bradford, Asian population of 199  
 Brazil 44  
   affirmative action on racism in 151–2  
   Afro-Brazilian religious practices 137

- Brazil (cont.)  
 Barbarians (social clique) at UERJ 153  
 binary racial difference (white–black racial binary) 154, 155  
 census nomenclature in 2  
 censuses in, ‘ethnic’ enumerations in 108  
 consumption habits of rich students, discriminative aspects of 153–4  
 demographics, statistics and 150–1  
 descriptive colour terms in 151  
 domestic service in 149  
 genetic ancestry in 97–8  
 independence for 58  
 Latin America 150–5  
 law faculty Athletic Society at UERJ 154  
 lessons from 155  
*mestiçagem*, difference and 151–2  
 mixed populations in 101, 138  
 mixed race people in, positivity about 138  
 ‘money whiteners’ in 127  
 Neguinho da Beija Flor: black or white? 101  
 official discourse of 4  
 official statistics, key points from 150  
 plastic surgery for ‘Negroid nose’ in 127–8  
 race and class, connection of 153  
 race-based affirmative actions, debates over 151  
 racial difference and racial mixture, simultaneous coexistence of 151  
 racial discrimination in 150  
 racial immigration policies of 113  
 racial inequality in 150  
 racial quotas in practice 152–4  
 residential racial segregation in 151  
 Rio de Janeiro, State University of (UERJ) 152–4  
 Secretariat for Policies Promoting Racial Equality (SEPPIR) 108  
 slavery in  
 abolition of 138  
 importance of 56  
 Statute of Racial Inequality (2010) 108  
 breeding, notion of 27  
 Britain  
 Adoption and Children Act (2002) 125  
 Afro-Caribbean immigrants in 199  
 ancestry of, diversity in 102  
 anti-immigration political parties in 198, 215  
 successes of 198  
 anti-racist objectives of government 109  
 censuses in, ‘ethnic’ enumerations in 108  
 Children Act (1989) 125  
 Commonwealth Immigrants Act (1962) 114  
 conviviality in 198  
 ‘driving while black’ (DWB) 112  
 Elizabethan beauty standards 36  
 English classification of Africans 36  
 genomic project: People of the British Isles 102  
 ghettos in 199–200  
 growth of immigration in 194  
 Human Fertilisation and Embryology Authority 122–3  
 illegal immigrants, focus on 115  
 immigrants in 195  
 Immigration Act (1971) 114  
 immigration history of 114  
 immigration policies in 194  
 integration in, factors militating against 198  
 Islamic extremism in, threat of 219  
 Justice Ministry in 111  
 Metropolitan Police, London 111  
 ‘institutional racism’ charge against 111, 131  
 moral qualities of black Africans, English theories about 36  
 Nationality Act (1948) 114  
 Nationality Act (1981) 114, 195  
 naturalisation of culture in 5  
 official discourse of 4  
 racial and ethnic inequality in 197  
 racial disparities in justice system of 112  
 racial inequality in 197  
 recognition of multiculturalist difference in 196  
 terminology of ghetto in 200  
 terminology of racism in 2  
 Victorian society in, contradictions of class and gender in 74–5  
 British Empire, colonialism of 59

 Buffon, George  
 on human classification 67  
 Burakumin in Japan 73  
 Bureau of American Ethnology 86  
 Burgersdicius, Franco 54  
 Burma (Myanmar), independence for 88  
 Bushman (Boschiman) 70, 72  
 Canada  
 anti-racist objectives of government 109  
 censuses in, ‘ethnic’ enumerations in 108  
 independence for 59  
 capitalism, exploitation of labour and 16  
 Caribbean  
 British possessions in, independence for 59  
 English colonies in 46  
 slave trade in 56  
 Carmichael, Stokely 169  
 Cashinhuá of Brazil 13–14  
 Caspar, King of the Moors 35  
*castas* (breeds or types) 38–41  
*casta* paintings 41  
 caste and race  
 common elements as systems of classification 11  
 Cox’s perspective on 11  
*castizo* (Spanish–mestizo parentage) 41  
 categorisation  
 categories for ‘colour or race’ in Brazil 128–9  
 collective categorisation, colour as basis for 39  
 of race, complex nature of 9  
 censuses  
 in Anguilla 108  
 in Australia 108  
 in Bermuda 108  
 in Brazil 108  
 in Britain 108  
 in Canada 108  
 census nomenclature in Brazil 2  
 census terminology in United States 4  
 ‘ethnic’ enumerations in 108  
 in Jamaica 108  
 in Latin America 108  
 in Saint Lucia 108  
 in United States 108  
 United States Bureau of Census 2  
 Césaire, Aimé 118  
 Chile, immigration restrictions, lifting of 113  
 China  
 acceptance of validity of race in 92–3  
 ‘barbarians’ and alien groups in 12  
 inter-country adoptees from 125  
 Japanese victory over (1894–5) 73  
 physical composition and cultural disposition in Chinese antiquity 12  
 stereotypes in, development of 12  
 Western ideas, adoption of 13  
*zu* and *zhong* in 9, 11–13, 14–15  
*chola* (acculturated indigenous woman) in Andes 149, 158–9  
 ‘choleric’ humour (yellow bile) 42  
 Christianity  
 black African connection with 35

- naturalising, process of 117

## 252 Index

- cultural racism (cont.)  
 race in an era of culture, recognition of 106–7  
 race–kinship congruity 119–20  
 racialised body in Latin America 127–8  
 science, society and 105–6  
 theories of 118–19  
 transnational adoption 125–6  
 culturalist discourses 83  
 culture  
 Boas and separation of biology and 85–6, 87  
 colour and, ties between 5  
 everyday world of, cultural racism and 117–19  
 nature and racial thinking 76–7  
 people caught between two cultures 200  
 Cuvier, Georges 66, 70  
 perspective on classification of humans 66
- Damas, Léon 118  
 Darwin, Charles 72, 84, 85  
 impact of thinking of 69  
*Declaration of the Rights of Man and the Citizen* (1789) 61  
 decoloniality 17  
 definition of race  
 cultural racism and 9  
 problem of 1, 20–2  
 Defoe, Daniel 102  
 ‘degeneration’, stigma of 77  
 demographic density in Latin America 44  
 Descartes, René 26, 54  
*Details of Calculation and Recording* (Pacioli, 1494) 55  
 diasporas  
 place and 208, 209  
 transnational diasporas 201  
 discrimination  
 Brazil, racial discrimination in 150  
 Cali, overt racial discrimination in 145  
 Colombia, racial discrimination in 139–43  
 direct racial discrimination in Colombia 145  
 Europe, racial discrimination in 198  
 institutional prohibition of 107  
 institutional racism 111, 131  
 Israeli discrimination against Palestinians 20  
 Law Against Racism and All Forms of Discrimination (Bolivia, 2010) 3  
 diversity  
 official recognition of 109  
 of racial thinking 64
- DNA (deoxyribonucleic acid) 90, 94–5, 97, 99  
 collection and storing of 105, 112  
 forensic genetics 102–3  
 Y-chromosome DNA 100  
 domestic service in Latin America 149  
 ‘domesticity, cult of’ 73  
 domination 7  
 Dominican Republic 59  
 Du Bois, W. E. B. 79  
 Dühring, Eugen 75  
 Durkheim, Émile 26  
 Dutch East Indies 77
- economic class, social construction of 91  
 Ecuador  
 IVF treatment in 124  
 mixed populations in 138  
 mixed-race people in, positivity about 138  
*pishtaco* in, symbol of whiteness, dominance and rapaciousness 159  
 race as physical reality, notion in 158  
 racial difference, enactment of 158–9  
 Egypt in antiquity 17, 28  
 elites in Latin America, status and 44  
 embeddedness of race 218–21  
 in social processes 160  
*Encyclopædia Britannica* (1798 edition), entry for ‘Negro’ in 66

- Gove, Michael 219
- governance, power and 62–3
- Great Chain of Being 55
- Greece in antiquity 17, 27–31  
acquired characteristics, inheritance of 29
- black Africans, slavery of 28
- black Africans, visual images of 28
- conflicting interpretations from 28–9
- distinctions based on lifestyles 28–9
- environmental theories 29
- heredity, theories about 29
- lessons from 30–1
- nomos*, rule of 28
- physis*, laws of 28
- Guadeloupe, independence for 59
- Guam 59, 88

## 254 Index

- Guatemala  
 anti-racism and cultural difference, discourse in 157  
 Chimaltenango, Hale's ethnography of 155, 156–7  
 civil war in 156  
 genocidal repression and 'disciplinary assimilation' in 156  
*indio permitido* (authorised Indian) 156  
 'insurrectionary Indian', power of 157  
*ladino* dominance, continuity of 156–7  
*ladino* victimhood, conception of 157  
*ladinos* (local term for a non-indigenous person) in 155–6  
 Latin America 155–8  
 Maya activism in 157  
 Maya communities in 155, 156  
 Maya movement in 156  
 mixed populations in 138  
 mixed-race people in, positivity about 138  
 neoliberal multiculturalism in 156  
 racial ambivalence, darker side of 157  
 racial ambivalence in 155–8  
 'reverse racism', accusations of 156  
 Guyane, independence for 59
- Haddon, Alfred 89  
 hair type 6  
 Haiti 59  
 independence for 59  
 Hawaii 59  
 Herder, Johann von 75  
 heredity  
 bodily differences and 21  
 geography, Darwinian principles and 84  
 issues related to 7  
 pre-genetic concepts of 7  
 Herrnstein, Richard 93  
 hierarchy of races, evolutionist thinking and idea of 69  
 Hinduism 11  
*Histoire naturelle des mammifères* (Saint-Hilaire, G. and Cuvier, G.) 70  
 Hobbes, Thomas 54  
*Homo*, racial types defined as species within genus 68  
 Hong Kong, terminology of racism in 2  
 'Hottentot Venus' 69  
 human biological variation, race and 90  
 human difference  
 arguments concerning 50  
 skin colour and 51  
 subordination and inferiority, conquest and ideas of 51  
 human diversity  
 Darwin and understanding of 69  
 engrained notions of 30–1  
 environmental theories of 28  
 Greek ideas about 30  
 historical perspectives on 84  
 ideas about 25  
 intellectual ideas about, changes in 64  
 moral-cultural traits 30  
 human genetic variation 95  
 Human Genome Diversity Project 100  
 Human Genome Project 84, 90, 94  
 human rationality 54  
 Hume, David 71, 81  
 perspective on inferiority of some peoples 65  
 Huxley, Julian 89  
 Huxley, Thomas 72
- Iberians in Latin America, attitudes of 46  
 Ibn Khaldun 34  
 ideological bases for racism and race 221  
 immigration  
 Boas's anthropometric work on immigrants 85  
 control and, cultural racism and 113–16, 131  
 DNA testing, use of 116  
 illegal immigrants, focus on 115  
 policy on, legitimisation on basis of security 116  
 race and nation in Europe 191, 214–15  
 restrictions in Latin America, lifting of 113  
 tensions created in Europe by 192–4  
 white and non-white, issues in Latin America of 136
- imperialism  
 driven power of 59  
 enslavement and 64  
 imperial culture, inquisitors and 41  
 racial thinking and 59  
 role in Foucault's analysis of racism 64  
 'impurity', caste status and 10  
 Inca empire 38  
 Incan ideas 48  
 indentured labour 57  
 India  
 adoption policy in 125  
 British and racial theory in 72  
 caste in 9–11, 14–15  
 caste system and race in 10  
 European ideas of race, impact in 10  
 independence for 88  
 race-like essentialism of caste 11  
*indios* (indigenous peoples)  
 categorisation as 39, 48  
 enslavement of 38–9  
 Indonesia, independence for 88  
 inequality, justification for 61–2  
 inferiority, group ranking on basis of 5  
 'infrahumanity' 16  
 inheritance and body in Colombia 129–30  
 institutional presence of race 107, 131  
 interbreeding in Latin America 38  
 intergenerational conflicts 201  
 intermarriage in Europe 200  
 International HapMap Consortium 97, 99  
 interracial adoption 125–6  
 interracial sex, prejudices against 120  
 IQ (Intelligence Quotient) 93  
 Irish  
 English attitudes towards 73  
 linking to Africans 71  
 Islamic empire 34  
 black African slavery, justification for 35  
 conquest and enslavement, practices of 35  
 Israeli discrimination against Palestinians 20  
 Italy, adoptees in population of 125
- Jamaica, censuses in, 'ethnic' enumerations in 108  
 Japan  
 adoption policy in 125  
 imperialism and colonialism of 59, 73  
 influence of European racial theory on 72  
 Japanese empire 88  
 race-nation concept in 73  
 Jefferson, Thomas 71, 81  
 perspective on differences between blacks and whites 65  
 Jensen, Arthur 93  
 Jewish-Christian marriage, laws banning 32  
 Jewish race, ideas of 20  
 Jewishness 34  
 racial thinking and 20  
 Judaism, colour in ancient texts of 18
- Kamin, Leon 93  
 Kazakhstan, independence for 88  
 King, Martin Luther 169  
 King, Rodney 112  
 kinship-race congruity 119–120

- Knox, Robert 64, 81, 217
- Korea, Japanese colonial control of 73
- Kroeber, A. L. 86
- Ku Klux Klan 110
- Kultur* (culture) 75
- Kushites 17, 28
- Kyenge, Cécile 106
- Laplanders 67
- Latin America
- Afro-Brazilian religious practices 137
  - Amerindian facial hair 42
  - ancestry in, colonial emphasis on 47
  - Andean practices 158–9
  - Aztec empire 38
  - blackness as transnational construct 137
  - blanco* (white) 39
  - bodily fluids, bodies shaped by 42
  - Brazil 150–5
  - casta* paintings 41
  - castas* (breeds or types) in 38–41
  - castizo* (Spanish–mestizo parentage) 41
  - censuses in, ‘ethnic’ enumerations in 108
  - chola* (acculturated indigenous woman) in Andes 149, 158–9
  - ‘choleric’ humour (yellow bile) 42
  - class and race 136
  - collective categorisation, colour as basis for 39
  - Colombia 139–49
  - colonial regimes in, nature of 138
  - criollos* (locally born people) 39, 41
  - cultural racism, examples from 126–30
  - demographic density in 44
  - domestic service in 149
  - elites in, status and 44
  - flexible bodies and natures 42–3
  - food, role in Spanish colonies 42–3
  - food practices, embeddedness of race in ideas about 136–7
  - gender, mixture and regional variation 43–5
  - genomic mixture, circulation of images of 101
  - genomic research on mestizo people in 100
  - genomics and racialising of populations in 97–9
  - Guatemala 155–8
  - ‘hijo de tigre sale pintado’* (the son of a tiger comes out striped) 119
  - Iberians in, attitudes of 46
  - immigration, white and non-white, issues of 136
  - immigration restrictions, lifting of 113
  - imperial culture, inquisitors and 41
  - Inca empire 38
  - indios* (indigenous peoples) categorisation as 39
  - enslavement of 38–9
  - interbreeding in 38
  - limpieza de sangre* (cleanliness of the blood) 41
  - Marxist theories of class and race 136
  - mestizaje*, domestic service and 149
  - mestizaje* (‘mixture’ of origins, peoples and cultures) in 138–9
  - mestizaje* (sexual and cultural mixture) 40
  - mestizo people in, genomic research on 100
  - mestizo (white–indigenous parentage) 38, 39, 40, 43, 44, 45
  - Mexican Inquisition 40
  - morisco* (Mexican description) 40
  - mulato* (product of black and white union) 40, 41
  - nation, gender and sex in racialised genomics 100–3
  - national identity, attempts to build distinctiveness in 138
  - negro*, categorisation as 40
  - New Granada (Colombia), classificatory practices in 40
  - parental categories, mixed offspring of 44–5
  - phlegmatic natures 42
  - places as connected 137–8
  - populations in, racialising of 97–9
  - populations in, responsibility for racialising of 99–100
  - race in Andes communities 158–9
  - racial categories 46–7
    - as relational 135
  - racial divide in, bodies and 43
  - racial identities in, definitional difficulties on 138
  - racial practices as relational 135–7
  - raza cósmica* (a ‘cosmic’, mixed race), concept of 138
  - raza* (race) in 38–41
  - regional patterns of gendered mixture 46
  - sexual relations between Europeans and indigenous peoples 100
  - similarities with South Africa and United States 190
  - slave trade in 56
  - slavery in 44
    - abolition of 138
  - slaves, legal categorisation of 39
  - las tres razas* (the three races) 99, 101
  - whiteness in 135
  - Law Against Racism and All Forms of Discrimination (Bolivia, 2010) 3
  - Lawrence, Stephen 111, 198
  - Le Pen, Marine 219
  - Lebanon, independence for 88
  - Leicester, Asian population of 199, 204–5
