

INDEX

- 1/ n heuristic *see* *heuristics*
 9-ending prices 124, **130**, 130–1
- above-average effect 49
 accommodation **104**
 achievement motivation 201–3, 206, 215, 257
 action orientation **204**, 205
 adaptation level theory *see* *theories*
 adaptive toolbox 52, 59
 affect heuristic *see* *heuristics*
 affective forecasting 42, 43, 169
 AIDA model **139**
 altruistic punishment **190**, 191, 192
 ambiguity effect **29**
 ambiguous decisions *see* *decisions*
 analytical decisions *see* *decisions*
 anchoring **96**, 102, 132
 anchoring and adjustment heuristic *see* *heuristics*
 antagonistic climate 281
 anticipated emotions 35, 42, **235**
 anticipatory emotions **235**
 Asian disease problem **65**
 aspiration level 117, 311, 323, 327–8, 336, 337, 338
 assimilation **104**
 assimilation effects **101**, 130
 attitudes 4, 5, 21, 28, **95**, 100, 102, 109, 113, 114, 115, 119, 120–1, 122, 127, 132, 139, 158, 165, 196, 197, 239, 245, 249, 257–61, 265, 266, 269, 271, 273, 279, 283, 287, 300, 301, 333
 autonomous decisions *see* *decisions*
 availability heuristic *see* *heuristics*
 axioms 9, **9**, 10, 12, 15, 23, 24, 29
 completeness **9**, 10, 24
 continuity **10**, 24
 convexity **10**, 24
 non-satiation **10**, 24
 reflexivity **10**, 24
 transitivity **9**, 10, 24
- backward induction **34**, 179, 180, 187, 215
 balanced decisions *see* *decisions*
 bargaining models 144
- baseline fallacy 231
 battle of the sexes game *see* *games*
 beauty contest 179, **180**
 beauty premium 199
 belief in a just world **99**, 99, 100
 better-than-average effect **49**
 bilateral interaction 186, 188, 189
 black market *see* *markets*
 bomb crater effect **271**
 bounded rationality **76**
- Cantril scale 332
 capitulative compliance 261
 cardinal utility 14
 centipede game *see* *games*
 chicken game *see* *games*
 choice bracketing **169**
 civic duty 276
 coercive power 271, **279**, 280, 282, 283
 cognitive maps 118
 cognitive reflection test 38
 cognitive response model 139
 cognitive scripts 136, 151, 173
 cognitive-developmental theory *see* *theories*
 collective models 144
 committed compliance 261
 common sense **94**
 compensation effect 291
 compensation hypothesis **292**, 293
 completeness *see* *axioms*
 compulsive buying **141**, 165
 conceptual-referent theory of happiness *see* *theories*
 concrete operational thought **104**, 106
 conflict 111, 134, **136**, 137, 141, 149, 160, 162, 172, 193, 297, 299, 320, 323
 distribution conflicts **137**, 146, 151, 160
 probability conflicts **137**, 146, 151, 160
 value conflicts **137**, 146, 151, 160
 congruence hypothesis **293**
 conjunction fallacy **56**, 231
 consequence expectations 195
 constructive dissatisfaction 328
 consumer practices 141
 consumer price index 296
 consumer sentiment 2, 3, 4, 5, 19, 21, 94
- Consumer Sentiment Index 4, 5, 24
 consuming as classification 141
 consuming as experience 141
 consuming as integration 141
 consuming as play 141
 continuity *see* *axioms*
 contrast effects **101**, 130
 convexity *see* *axioms*
 core elements **95**, 102
 corruption 84, 248, 272
 cost minimisation principle **8**
 coupling 170
 creative compliance 261, 262
 credit cards 112, 114, 135, 165, 166, 171
 credit principle 147
 credit use 3, 135, 136, 164–72, 173, 237
 creeping determinism **228**
 crime 33, 84, 86, 165, 225, 246, 248, 260, 269, 278, 282, 296, 300, 328, 336
 crowding out 276
 cumulative prospect theory *see* *theories*
 currency changeover 50, 93, 114, 118, 119–22, 123, 124–6, 127
 currency reform 93, 118, 131
- daily hassles **323**
 day reconstruction method *see* *diary*
 methods
 debt account aversion 171
 debt aversion 170, 171
 decision anomalies **35**, 63
 decision diary *see* *diary methods*
 decisions
 ambiguous decisions 27, **28**, 61, 73
 analytical decisions 41
 autonomous decisions 136, **145**, 151, 155, 157, 172, 173
 balanced decisions 155
 decisions under certainty **28**
 decisions under uncertainty 27, **28**, 30, 42, 61, 63
 descriptive decision models **31**, 63, 64, 76, 80, 90
 extensive decisions **136**, 145, 166, 173
 female-dominated decisions 155
 gut decisions 27, 41, 42, 220

- decisions (cont.)
 incremental decisions 80, 162
 intuitive decisions 41, 234
 male-dominated decisions 155
 normative decision models **31**, 60, 61, 63, 76, 78, 90, 144
 prescriptive decision models **31**
 risky decisions 27, **28**, 61, 70, 240, 269, 271
 syncretic decisions **136**, 137, 147, 155, 162, 172, 173
 decisions under certainty *see decisions*
 decisions under uncertainty *see decisions*
 delayed gratification 44, 61, 171, 286
 demand curve 176, 183
 descriptive decision models *see decisions*
 descriptive norms *see norms*
 diary methods **150**, 158, 320
 day reconstruction method **321**
 decision diary **150**, 159
 events diary 150
 time-sample diary 311, 316, **320**
 dictator game *see games*
 discrimination 99, 184, 199
 disposition effect 217, 227, **228**, 228–30, 235, 243
 distribution conflicts *see conflict*
 distributive justice 164, 281, 327
 doing gender **143**
 double auction 182, 183
 double-entry mental accounting model **170**
 dual identification 121
 dual-process theories *see theories*
 dual-selves model 172
- EAST **87**
 Easterlin paradox **332**
 ecological validity 150, 268, 320
 economic expectations 1, 2, **3**
 economic psychology 1, 7, 12, **14**, 15, 16, 17, 18, 19, 22, 24, 27, 32, 84, 85, 135, 179, 200, 245, 249, 268, 313
 economic theory of criminal behaviour *see theories*
 economics
 macroeconomics 3, 7, 14, 16, 17, 18, 19, 165, 246, 294, 332
 microeconomics 7, 17, 18, 264, 266
 neoclassical economics 10, 21, 23, 178, 179, 282
 neuroeconomics 69, 70, 190
 economy

 spontaneous purchase 145, 166, 173
 St Petersburg paradox **30**
 stabilised satisfaction 327
 stage model of purchase decisions 137, 173
 starting low but ending high effect **232**
 state orientation **204**
 status quo bias 113
 subjective control **301**
 subjective expected utility theory *see theories*
 sunk cost effect **72**, 73, 91, 117, 232
 supply curve 176
 symbolic value 21, 115, 136, 142, 173
 syncratic decisions *see decisions*
 synergistic climate 281
 synthetic families **147**
 system 1/ system 2 38–42, 44
- take-the-best heuristic *see heuristics*
 tax aversion 257
 tax avoidance 252, 258, **262**, 283
 tax avoision 258
 tax circumvention **262**
 tax compliance 84, 85, 87, 88, 132, 246, 259, **261**, 264, 266, 269, 277, 282, 283
 tax cooperation **277**
 tax evasion 13, 116, 117, 245, 248, 249, 258, 259, 260, **262**, 264, 266, 269, 271, 273, 274, 278, 282, 283
 tax morale 245, 246, **249**, 257, 258, 259, 260, 272, 276, 283
 tax swap **230**
