- Aarhus Convention, 211, 476–477, 503–504, 505, 528–529
- AC. *See* Alpine Convention
- Ackroyd, Toby, xv, 27
- Act NC-60 2013 on Nature and Conservation (NC-2013, Iceland), 364–365, 367–375, 378, 381, 385, 549–550, 573, 575, 602
- Act No 44/199 on Nature Conservation (NC-1999, Iceland), 361–362, 364–367, 368, 370–375, 553
- Act No 60/2007 on Vatnajökull National Park (VNP-2007, Iceland), 368–369, 375–376, 576, 579–580
- Act No 106/2000 on Environmental Impact Assessment (EIA-2000, Iceland), 368–369, 382–384, 590–591
- Act No 123/2010 on Spatial Planning (SP-2010 Iceland), 368–369
- Act on Nature and Landscape Protection (Czech Republic), 275
- Act on the Metsähallitus (AM, Finland), 332–333
- Act on Wilderness Reserves (AWR, Finland), 317, 319–321
- Africa  
     Convention for the Protection of Wild Animals, Birds and Fish in Africa, 16–17  
     nature conservation law in, 16–17  
     Serengeti Plains, 15
- African Convention on the Conservation of Nature and Natural Resources, 22
- Agnew, Crispin, 530
- alien species. *See* non-native species
- allemansrätt* (every man's right), 482, 486–487, 488, 500, 592
- allowance of natural disturbances, 187–188
- Alpine Convention (AC)  
     Aarhus Convention and, 211  
     absence of permanent infrastructure as wilderness quality under, 204–206  
     in Austria, 209–210, 212–217  
     Biosphere Reserves and, 208–209  
     Carpathian Convention and, 210–211  
     connections between other legal frameworks, 208–212  
     development of, 199–201  
     Ecological Network Platform under, 208  
     ECONNECT project and, 217–219  
     ENGO participation, 211  
     ESPOO Convention and, 211  
     European Landscape Convention and, 211  
     funding programme projects under, 217–219  
     geographic areas under, 200  
     GreenAlps project and, 217–218  
     Habitats Directive and, 209  
     international nature conservation law and, 208–212  
     IUCN and, 208–209  
     long-term legacy of, 219–221  
     MEA under, 199–200  
     naturalness as wilderness quality under, 202–204  
     objectives of, 201–202

INDEX

- Alpine Convention (AC) (cont.)  
 organization of, 201–202  
 Protocols of, 201–202, 203–206  
 RowAlps project and, 218  
 size as wilderness quality under, 206  
 structure of, 201–202  
 Wild Birds Directive and, 209  
 wilderness protection and, 564–566,  
 569–570  
 wilderness-related content of, 202–208  
 the Alps, 59  
 biodiversity in, 207  
 species diversity in, 78–79  
 wilderness quality in, 88  
 Althingi, in Iceland, 364–365, 379–381  
 AM. *See* Act on the Metsáhallitus  
 American Committee for International  
 Wild Life Protection, 17–18  
 Änok delta (Sweden), 504–505  
 Antarctic Treaty system, 24  
 anthropocentric attitudes, towards  
 nature, 3–8, 97, 120, 557  
 AONBs. *See* Areas of Outstanding  
 Natural Beauty  
 Aquinas. *See* Thomas Aquinas  
 Arcadian landscapes, 102–103  
 Arctic National Wildlife Refuge in  
 Alaska, 147  
 Arctic region. *See* Greenland; Lapland;  
 Polar Region; Svalbard, Norway  
 areas for the protection of the shores, in  
 Sweden, 499–500  
 Areas of Outstanding Natural Beauty  
 (AONBs), 521  
 Areas of Special Conservation Interest  
 (ASCI), 165–167  
 Areas of Special Scientific Interest  
 (ASSI), 523–524  
 ASCI. *See* Areas of Special  
 Conservation Interest  
 Ashfield Park (Australia), 13  
 ASSI. *See* Areas of Special Scientific  
 Interest  
 attitudes, towards wilderness  
 in Europe, 27–29, 102–106  
 from international historical  
 perspective, 3–9, 540–542,  
 560–563  
 for rewilding, 104–106  
 for wild landscapes, 102–104  
 Australia  
 establishment of national parks in,  
 12–13  
 HIMI, 148–149  
 NWI, 51  
 Tasmanian Wilderness,  
 149–150, 567  
 Austria  
 Alpine Convention in, 209–210,  
 212–217, 569–570  
 Austrian Water Law Act, 248  
*bau*land in, 262–263  
 biosphere parks in, 255–256,  
 261–262  
 Biosphere Reserves in, 260–262  
 Danube Wetlands National Park,  
 248–249, 251–252, 254  
 definitions of wilderness in, 250–253  
 ENGOS in, 264  
 Federal Austrian Constitution, 212  
 green political movement in, 248  
 Kalkalpen National Park, 264–267  
 Lake Neusiedl National Park, 263  
 legal system in, 212  
 LIFE programme in, 216–217  
 moorlands in, 253  
 national parks in, 255–256, 259  
 Natura 2000 sites in, 211–212, 254,  
 259–260  
 Nature Protection Law of  
 Carinthia, 262  
 OeBf in, 247  
 Poland under rule of, 412  
 potential wilderness areas in, 250–253  
 social relevance of wilderness in,  
 248–250  
 Thaya Valley National Park,  
 252–253, 254, 263  
 Wilderness Dürrenstein,  
 215–217, 576  
 wilderness in, levels of, 253–254  
 wilderness protection in, 254–264  
 the Alps, 215–217, 569–570  
 through Austrian National  
 Biodiversity strategy, 255,  
 576–577

- through domestic legislation, 258–260
- enforcement of, 264–267
- through environmental impact assessment, 590–591
- through *ex lege* protection, 262
- future of, 268
- under Habitats Directive, 259–260
- implementation of, 264–267
- IUCN guidelines for, 258–259
- as policy directive, 254–257
- through protected area legislation, 260–262
- the Province of Styria, 250–251, 549
- for recreational activities, 263–264
- through re-establishment of wilderness, 256
- through spatial planning law, 262–263
- supervision of, 264–267
- under Wild Birds Directive, 259–260
- for wilderness as property, 264
- wildnis*, 257–258
- World Heritage sites in, 252
- WWF Austria, 247
- Austrian National Biodiversity strategy, 255, 577
- Austrian Water Law Act, 248
- Auyuittuk National Park (Canada), 147

INDEX

- wilderness protection (cont.)  
 Carpathian Convention and,  
 227–237, 563–564, 569  
 climate change as factor in, 602  
 compliance issues, 603–604  
 decentralisation of competences as  
 influence on, 600  
 displacement of indigenous peoples  
 and, 13–16  
 through domestic legislation,  
 572–597  
 with EIAs, 130, 357, 382, 395–397,  
 444–446, 472–473, 589–591  
 explicit policies in, 574–577  
 forestry legislation, 588–589  
 for human access to wilderness,  
 593–596  
 for national parks, 578–582  
 for nature reserves, 583–586  
 for property rights, 591–593  
 role of constitutions, 573–574  
 under spatial planning law,  
 587–588  
 in *zapovedniki* system, 586  
 economic development and, 207,  
 243, 309–310, 363–364, 437,  
 443, 514  
 economic value of wilderness for,  
 114–116, 126–129  
 in EU, policy development for,  
 27–29, 43  
 through EU law, 196–198, 563–568,  
 570–571  
 European Commission input on,  
 27–29  
 European Parliament and,  
 43–44, 288  
 Habitats Directive and, 191–193,  
 567–568  
 through international conventions,  
 563–568  
 through international law, 570–571  
 IUCN and, 24–25  
 lack of support by general public as  
 influence on, 430, 601–602  
 law making for, 11–26  
 non-use of natural resources and,  
 20–21  
 obstacles to, 597–604  
 philosophical foundations of, 3–8  
 policy making for, 11–26, 27–29, 43  
 political changes as influence on, 599  
 private property and, 3–4, 602–603  
 through rewilding, 37, 62–64  
 social value of wilderness as factor in,  
 110–111, 113  
 state sovereignty and, 3–4  
 strengthening of, options for,  
 604–612  
 system sciences approach to, 337  
 WCPA and, 25  
 Wild Birds Directive and, 567–568  
 World Heritage Convention and,  
 143–153, 566–567  
 wilderness quality, 47–57  
 in the Alps, 88  
 in Carpathian mountain region, 88  
 ecological restoration and, 89–91  
 in Germany, restoration of, 89–91  
 in Iceland, 368  
 of large size, 553–554  
 main qualities, 33  
 Natura 2000 network and, relevance  
 in selection criteria, 185–187  
 in the Pyrenees, 88  
 in Russia, 445  
 wildness as criteria for, 552–553  
 Wilderness Quality Index (WQI), 172,  
 289, 512  
 wilderness reserves, in Finland,  
 322–323, 326–328  
 wilderness values. *See also* ecological  
 value, of wilderness; social  
 value, of wilderness  
 typologies of, 108–110  
*wildnis*, 257–258  
 willingness to pay, 120. *See also* eco-  
 nomic value, of wilderness  
 wind farms, 189–193, 196–197, 516,
