CALENDAR LIST OF LETTERS

The following list is in the order of the entries in the *Calendar of the correspondence of Charles Darwin*. It includes all those letters that are listed in the *Calendar* for the year 1874, and those that have been redated into 1874. Alongside the *Calendar* numbers are the corrected dates of each letter. A date or comment printed in italic type indicates that the letter has been omitted from this volume.

Letters acquired after the publication of the first edition of the *Calendar*, in 1985, have been given numbers corresponding to the chronological ordering of the original *Calendar* listing with the addition of an alphabetical marker. Many of these letters are summarised in a ‘Supplement’ to a new edition of the *Calendar* (Cambridge University Press, 1994). The markers ‘f’, ‘g’, ‘h’, ‘i’, and ‘j’ denote letters acquired after the second edition of the *Calendar* went to press in 1994.
