Section 1 Techniques and Practical Considerations

Approach to Autopsy of the Perinatal Nervous System 1

1	Clinical Considerations	1
	Rebecca Folkerth	
2	Imaging	3
	Rebecca Folkerth	
3	External Exam of the Fetus/Infant	5
	Rebecca Folkerth	
4	Autopsy and Research Consent	8
	Marc Del Bigio	
	Ancillary Studies	13
5	Microbiology	13
	Mirna Lechpammer	
6	Cytogenetics and Molecular Diagnostics	25
	Mirna Lechpammer	
7	Metabolic Studies	31
	Mirna Lechpammer	
8	Toxicology	39
	Mirna Lechpammer	
	Prosection Techniques	45
9	Brain Prosection	45
	Marc Del Bigio	
10	Spinal Cord Prosection	50
	Rebecca Folkerth	
11	Neuromuscular Specimens	53
	Mirna Lechpammer	
12	Eye Specimens	56
	Mirna Lechpammer	

Tissue Selection 59

13	Selection of Brain Areas for Microscopic Examination	59
	Mirna Lechpammer and Rebecca Folkerth	
14	Technical Considerations in Perinatal CNS Tissue Processing	62
	Mirna Lechpammer	
15	Staining Techniques	65
	Marc Del Bigio	
	Reporting	71
16	Formulation of Diagnosis	71
	Rebecca Folkerth	
17	Reporting Templates	73
	Mirna Lechpammer	
18	Medicolegal Considerations	79
	Rebecca Folkerth	

Section 2 Human Nervous System Development

	Neuroanatomic Site Development	81
19	Human Nervous System Development: Embryonic and Early Fetal Events	81
	Marc Del Bigio	
20	Cerebral Cortex, Including Germinal Matrix	88
	Marc Del Bigio	
21	White Matter, Including Myelination	101
	Rebecca Folkerth	
22	Cerebellum: Development of the Rhombic Lip, Cerebellar Cortex, Dentate Nucleus	107
	Rebecca Folkerth	
23	Spinal Cord	111
	Mirna Lechpammer	

Contents

- 24 **Skeletal Muscle and Peripheral Nerve** 115
 Mirna Lechpammer

- 25 **Fetal and Infant Eye** 119
 Mirna Lechpammer

Growth Parameters 123

- 26 **Head Size and Brain Weight** 123
 Marc Del Bigio

Section 3 Stillbirth

Autolysis, Artifacts, and Stillbirths 131

- 27 **Autolysis and Artifacts** 131
 Marc Del Bigio

Stillbirths 139

- 28 **Neuropathology of Stillbirth** 139
 Marc Del Bigio and Rebecca Folkerth

Section 4 Disruptions / Hypoxic-Ischemic Injury

Cellular Responses 145

- 29 **Neuronal Death** 145
 Marc Del Bigio

- 30 **Macroglial Reactions** 155
 Marc Del Bigio

- 31 **Inflammatory Responses** 159
 Marc Del Bigio

Gray Matter 165

- 32 **Supratentorial Gray Matter Damage and Disruptions** 165
 Marc Del Bigio

- 33 **Brainstem and Spinal Cord Disruptions** 178
 Rebecca Folkerth

White Matter 183

- 34 **Periventricular Leukomalacia and Diffuse White Matter Injury** 183
 Rebecca Folkerth

Germinal Matrix 193

- 35 **Periventricular and Intraventricular Brain Hemorrhage** 193
 Marc Del Bigio

Cerebellum 205

- 36 **Cerebellar Lesions** 205
 Rebecca Folkerth

Section 5 Malformations

Neural Tube Defects and Patterning Defects 211

- 37 **Defects of Neural Tube Closure and Axial Mesodermal Defects** 211
 Marc Del Bigio

- 38 **Disorders of Early Midline Patterning** 223
 Marc Del Bigio

Hydrocephalus 231

- 39 **Fetal and Perinatal Hydrocephalus** 231
 Marc Del Bigio

Neuronal Migration Disorders 243

- 40 **Cerebral Cortical Migration Disorders** 243
 Rebecca Folkerth

Genetic Syndromes and Phakomatoses 255

- 41 **Fragile X Syndrome** 255
 Mirna Lechpammer

- 42 **Down Syndrome - Trisomy 21** 260
 Mirna Lechpammer

- 43 **Edwards Syndrome - Trisomy 18** 265
 Mirna Lechpammer

- 44 **Patau Syndrome - Trisomy 13** 269
 Mirna Lechpammer

- 45 **Tuberous Sclerosis Complex** 273
 Mirna Lechpammer

- 46 **Sturge-Weber Syndrome** 278
 Mirna Lechpammer

- 47 **Neurocutaneous Melanosis** 281
 Mirna Lechpammer

Section 6 Perinatal Neurooncology

- 48 **Congenital and Perinatal Brain Tumors** 285
 Sanda Alexandrescu

Section 7 Spinal and Neuromuscular Disorders

- Arthrogyposis** 301
- 49 **Arthrogyposis Multiplex Congenita** 301
Mirna Lechpammer
- Spinal Muscular Atrophy** 305
- 50 **Spinal Muscular Atrophy (SMA)** 305
Rebecca Folkerth and Steven A. Moore
- Early-Onset Hereditary Neuropathies** 309
- 51 **Charcot-Marie-Tooth (CMT) Neuropathies** 309
Mirna Lechpammer and Steven A. Moore
- Congenital Muscle Disorders** 313
- 52 **Congenital Myasthenic Syndromes** 313
Rebecca Folkerth and Steven A. Moore
- 53 **Congenital Muscular Dystrophies** 317
Rebecca Folkerth and Steven A. Moore
- 54 **Congenital Myopathies** 324
Rebecca Folkerth and Steven A. Moore
- 55 **Other Congenital Muscle Disorders** 329
Rebecca Folkerth

Section 8 Eye Disorders

- 56 **Congenital Eye Malformations and Deformations** 333
Mirna Lechpammer

Section 9 Infections

- In Utero Infections** 339
- 57 **Congenital Viral, Bacterial, and Parasitic Infections** 339
Marc Del Bigio
- Peri- and Postnatal Infections** 359
- 58 **Meningitis and Encephalitis** 359
Rebecca Folkerth

Section 10 Metabolic / Toxic Disorders

- Storage Diseases** 365
- 59 **Lysosomal Disorders** 365
Mirna Lechpammer
- 60 **Peroxisomal Disorders** 378
Mirna Lechpammer
- Kernicterus** 385
- 61 **Clinicopathological Features of Kernicterus** 385
Mirna Lechpammer
- Mitochondrial Diseases** 391
- 62 **Clinicopathological Features of Mitochondrial Diseases** 391
Mirna Lechpammer
- Maternal Toxin Exposure** 403
- 63 **Ethanol and Other Agents** 403
Marc Del Bigio

Section 11 Forensic Neuropathology

- Trauma** 411
- 64 **Birth Trauma** 411
Marc Del Bigio
- 65 **Accidental and Nonaccidental Death** 421
Rebecca Folkerth
- Sudden Unexpected Death** 431
- 66 **Sudden Unexpected Death in Infancy and Childhood** 431
Rebecca Folkerth

Appendix 1 Technical Considerations in Perinatal CNS 437

Index 438
