

Index

Glosses of full names in both main and subheadings are to disambiguate the person named from others in the index with the same last name.

Titles beginning with definite or indefinite articles are sorted on the word following. *The Bell Jar* for example is sorted in the Bs. This applies to titles in Romance languages as well.

- À la recherche du temps perdu* (Proust), 270–71
A Lover's Complaint (attributed to Shakespeare), 326
