 ADDENDUM, 322
 Article 1 [Purpose], 316
 Article 2 [Definition], 316
 Article 3 [Policy and encouragement, etc.], 316
 Article 4 [Basic plan], 317
 Article 5 [Yearly execution program], 317
 Article 6 [Prior consultations on plans for technological development, etc. of new and renewable energy], 317
 Article 7 [New and renewable energy policy council], 317
 Article 8 [Creation of project expenses for technological development, use and dissemination of new and renewable energy], 318
 Article 9 [Use of created project expenses], 318
 Article 10 [Execution of projects], 318
 Article 11 [Investment recommendation and making liable for use of new and renewable energy, etc.], 318
 Article 11–2 [Certification, etc. of new and renewable energy facilities], 319
 Article 11–3 [Indication, etc. of certification of new and renewable energy facilities], 319
 Article 11–4 [Cancellation of designation as certification institute or performance examination agency], 319
 Article 11–5 [Fees], 320
 Article 11–6 [Public notification of price for new and renewable energy power generation and support for differences], 320
 Article 11–7 [Application for ruling], 320
 Article 12 [Sale, etc. of state or public property], 320
 Article 13 [Model project], 320
 Article 14 [Financial measures, etc.], 321
 Article 15 [Education and publicity on new and renewable energy], 321
 Article 16 [Center for new and renewable energy development and dissemination], 321
 Article 17 [Delegation of authority], 321
 Article 18 [Legal fiction as public official in applying penal provisions], 321
 Article 19 [Fine for negligence], 321
