| | Woode, Robt, 5 |

ATKYNSON, WILLIAM.

Became Vicar of Potton, Beds., in 1536 and vacated his living about 1539. The advowson of Potton was granted in 18 Rich. II. to the Abbess and Convent of Minoreesses without Aldgate, London, and presumably Atkynson was the last appointment under the Abbess. (Information kindly supplied by Rev. A. Long, now Vicar of Potton.)

BAINBRIG, REGINALD.

B.A. 1506; M.A. 1509; B.D. 1526; Proctor 1517; Fellow S. Cath. 1516; Master S. Cath. 1526(?)–1547. (*Col. rec.*, *D.N.B.*, *Coop.*)

BALTHASAR.

“Bibliopola Oxoniis.” Possibly the “Balthasar Churchyard, Douchman” of F. Madan: *The early Oxford Press*, p. 273.

BENET, LEVINUS.

Son of Thomas Benet (created baronet 1660, died 1667), of Babraham, Cambs. Levinus Benet erected a remarkable monument in the Parish Church of Babraham to his father and his uncle, Richard Benet, which describes them as “two Brothers, and Both of them Baronetts: They lived together, and were brought up together, at schoole, at the University, and at Inns of Court. They married two Sisters, the daughters, and Heires, of Levinus Munck Esq^r.” On a separate dedicatory marble, Levinus Benet describes himself as “utriusq³ Hæres.” (*See also* Burke, *Extinct and Dormant Baronetcies*, in which, however, there is no note of Richard Benet’s baronetcy.)

Lev. Benet is possibly the “Mr Benet Junr.” who was admitted to S. Cath. as a fellow-commoner in 1645 under Mr Lynford (*see* “Lynford” below) as tutor. (*Coll. rec.*) Nos. 43, 65, presented by Benet, once belonged to Lynford. Sir Levinus Benet, Bt, died 5 Dec. 1693.

BRUG (BRUN?), ROLANDUS.

The only “Roland” among the Priors of Wenlock in the list given in Dugdale is Roland Gosenall, who was Prior in 1522. A “William Brugge” was Prior about 1434–7, and “Brug” or “de Brug” are names which occur in early deeds. (*Monast. Anglic.* v. pp. 73–)

CANSFIELD, ROBERT.

B.A. 1570–1 Trin., M.A. 1574 S. Cath. (*Venn*); Proctor 1588–9 (*Neale*). “Lancastriensis”; Fellow of S. Cath. in 1588 (*Coll. rec.*), and the inscriptions in Nos. 7, 14, 38, 63 show he was a Fellow in 1596.

CLAVER, ARTHUR, AND MARMADUKE.

See these names in *Alumn. Oxon.*

CROSSE, THOMAS.

Of Essex; admitted 1698–9; Fellow 25 March 1704; Master 1719–1736. B.A. 1702; M.A. 1706; S.T.P. Com. Reg. 1717. Proctor 1716; Vice-Chancellor Camb. Univ. 1720. Preb. of Norwich 1719–1736; Preb. of York 172 $\frac{1}{2}$ –1736; Rector of Ashby and Oby cum Thirn, Norfolk. Died 27 Aug. 1736. (*Coll. rec.*, *Grad. Cant.*, *Le Neve.*)

In 1728 Crosse presented about 200 works to the Library.

DEVEY, THOMAS.

See *Alumn. Oxon.*

GLASCOCKE, WILL.

A Glascock of Cath. graduated 1574–5 (*Neale*), and the name appears in the Coll. register in 1630, 1632 (Wm Glascock of Essex), 1639, 1663, 1679.

HEIGHAM, CLEMENS (DE GIFFARDS).

The Heighams at one time held the manor of Barrow in Suffolk, which formerly belonged to the Giffards. This manor came into the possession of Sir Clement Heigham (d. 1570), chief Baron of the Exchequer and Speaker of the H. of Commons. His grandson—also Clement Heigham (suc. his father 1626; d. 1634)—must be the “Clemens Heigham de Giffards” of the inscription in No. 4. This Clement was succeeded by his grandson, also Clement Heigham (m. 1633, d. 1686). A son of the last, another Clement (d. 1714), was Rector of Barrow and was possibly the “Heigham” admitted to S. Cath. in 1658 and the “Clem. Heigham, *Cath.*” who graduated A.B. in 1662. (*Coll. rec.*, *Grad. Cantab.* Gage, *History and Antiquities of Suffolk*, 1838.)

In this connexion it may be of interest to note that the Bacons, also a Suffolk family and associated with the Heighams, were represented in the College. The records show admissions of (1) Nich. Bacon 1634, (2) Nath. Bacon 1661, (3) Ric. Bacon 1669, (4) — Bacon 1670, Nos. (2), (3), (4) being fellow-commoners. These Bacons were probably the descendants of Nich. Bacon, the eldest son of the Lord Keeper and the first person to receive the dignity of a baronet. (*See Gage's Suffolk.*)

LAYTON, RICH.

1500?–1544. Educated at Cambridge; Master in Chancery, Dean of York, chief agent in the suppression of the monasteries, a reformer of studies in the University of Oxford, appointed to assist in the trial of Anne Boleyn and to examine into the validity of the King's marriage with Anne of Cleves (*D.N.B.*). Foster includes Layton among his *Alumni Oxonienses*.

The identification of the former owner of Nos. 10–13, 15 with the subject of this note is confirmed by a comparison of the writing and signatures in these books and in autograph letters of Rich. Layton preserved in the Cotton MSS. Cleop. E. iv. in the British Museum.

LUMLEY.

John Lumley (1534–1609), *Baron*. Fellow-Commoner at Queens' Coll. Camb., matric. 1549. Antiquary and collector of books. Gave books to Camb. Univ. Lib. and also to Bodleian. (*Coop.*, *D.N.B.*)

LYNFORD, SAM.

“Bedfordiensis.” Fellow S. Cath. 30 Aug. 1634; one of the tutors in 1642–3 to 1646–7; ceased to be a fellow in 1648 (*Coll. rec.*); Proctor 1641 (*Le Neve*).

Lynford contributed congratulatory verses to (i) Ducis Eboracensis Fasciae: 1633; (ii) Carmen...ad cunas Principis Elizabethae: 1635; (iii) *Συνοδια*...ad regem Carolum de quinta sua sobole: 1637. In (i) he

is described as "Coll. D. Joan. Art. Mag."; in (ii) and (iii) as "Art. Mag. Aul. Cath. Socius."

The registers of St Benet's, Cambridge, show the following entries:

- 1650. "Thomas Linford the sonne of M^r Linford sometime fellow Katherine Hall buried the 18th day of June."
- 1650. "Thomas Linford son of M^r Samll. Linford Bap. Oct. 3."¹
- 1651. "Mary Linford Daughter of M^r Samll. Linford March the 4th."²
- 1652. "Samuell Linforde sonne of Samll. Linford. Bap. ffebry 17."
- 1653. "Samll Linford Buried in y^e Chancell Aprill y^e 14."
- 1657. "Samuell Linford buried October 14."

MERES, ROBERT.

Matric. Sidney Coll. 1614; M.A. 1621; S.T.P. 1634; Fellow S. Cath. 1623. The inscription in No. 36 would imply that he had vacated his fellowship about 1634. (*Coll. rec.*, *Venn.*)

MOONE, WILLIAM. Misnamed "Moor" in *Neale*.

"Leicestriensis"; Fellow S. Cath. 1597 (*Coll. rec.*); Proctor 1597 (*Le Neve*). Matric. Pembroke Coll. 1580; M.A. 1587 (*Venn.*).

PARKER, HENRY.

Of Gonville Hall. Succeeded to Barony of Morley in 1556. Died 1577. (See *Coop.* i. 378 and *D.N.B.*)

REDYNG, HENRICUS.

Described in inscription as *monachus Tamensis*. A house was founded at Tame or Thame in Oxfordshire in 1138 and furnished with Cistercian monks from Waverley; surrendered 31 Henry VIII. (*Monast. Anglic.* v. pp. 403- .)

SAVER, ROBERT.

Of Suffolk. Admitted sizar, Queens' Coll. Camb. 1652; elected fellow 23 Aug. 1660 and retained his fellowship to 1671, holding in succession various lectureships and readerships. (From information kindly supplied by the President of Queens' Coll. Camb.)

SHERLOCK, THOMAS.

1678-1761. Admitted S. Cath. 11 June 1693-4; Fellow S. Cath. 12 Aug. 1698; Master S. Cath. 1714 to 1719, when he resigned. Vice-Chancellor Camb. Univ. 1714. Bishop of Bangor 1727, of Salisbury 1734, of London 1748. (*Coll. rec.* and *D.N.B.*)

He was a liberal benefactor to his College. In 1758-9 the "iron palisades" on the front of the College were set up at his expense. In 1755-6 he gave the sum of £600 for the alteration and refitting of the

¹ Probably the Thomas Linford (1650-1724) given in *D.N.B.*

² Among the christenings.

College Library, subsequently paying a further sum to cover the full payment of the cost of the work. Moreover, by his will, dated 23 June 1758, he bequeathed to the College his library and also landed property to serve as an endowment for the payment of a stipend to a library-keeper and for the purchase of new books. Two codicils modified the provisions of the benefaction to the Library in respect to the methods of its administration, but did not touch its substance. His books were removed from Fulham Palace to the College in 1760–61 (*Audit book*).

In the article on *Sherlock* in the *D.N.B.* it is said that “he left...his library, with 7000*l.* for binding, to the University of Cambridge.” Nothing appears to be known in the University Library of any benefaction from Bp Sherlock, and the facts above presented show that the account in the *D.N.B.* of Sherlock's testamentary dispositions is incorrect.

SMITH, HENRY.

Adm. scholar King's Coll. Camb. 24 Aug. 1570; Fellow 1573; M.D. 1590; ceased to be a fellow about Mich. 1592. (Information kindly supplied by Mr F. L. Clark, Bursar's Office, King's Coll.)

WAKEFELD, THOMAS.

First Regius Professor of Hebrew at Cambridge (1540); died 1575, and buried at Chesterton near Cambridge. (*Coop.* i. 337 and *D.N.B.*)

WIART, ROBERT.

Described as *Crucifer* and probably of the order of *Cruciferi* or *Crucigeri*, known in England as the “Crutched” or “Crossed Friars,” whose first cloister in England was at Colchester. (*Monast. Anglic.* vi. pp. 1585–; also see L. Owen: *The unmasking of...Monks, etc.*, 1628.)

WILBRAHAM, RIC.

No. 2 may have been presented by Mr Wilbraham, admitted fellow-commoner in 1679. Wilbrahams of Cheshire appear in the Register, two in 1639 and one in 1687.

WOODE, ROBERT.

Alderman in Norwich in 1577, and probably the same person as the knight and justice of the peace in 1580 who appears in the *Records of the City of Norwich* (W. Hudson and J. C. Tingey, vol. i. pp. 313, 318, 416). A Robert Woode was Mayor of Norwich in 1569 and 1578, and was knighted 22 Aug. 1578. (Blomefield's *History of Norfolk*; W. A. Shaw, *The Knights of England*, II. 79.)

A Robert Wood, who was admitted at Queens' Coll. in 1620 (B.A. 1623–4), graduated M.A. from St Cath. in 1627 (*Venn*).
