INDEX.

- Abortion, losses from, cattle, 122; losses from, horses, 124
- Administration of Department of Animal Industry, 112
- Agricultural Education, 6
- Agricultural Education and Board of Agriculture, 139
- Agricultural Experts, 6, 8
- Agricultural Organisation Society, 144
- Agricultural Research and Board of Agriculture, 139
- Agricultural Returns incomplete, 28
- Agricultural Science, 6, 7, 9
- American Department of Agriculture, Grants and Expenditure, 133
- Application of science to breeding at home, 1
- Application of science to breeding abroad, 3
- Application of science to industry by our foreign competitors, 19
- Army horses, 51, 72
- Art of breeding, 25
- Asses, mules and ponies, number and value estimated, 68, 72
- Bateson and the Science of Breeding, 24
- Bath and West of England Society and research on Breeding, 141
- Birds, number and value estimated, 71, 72
- Board of Agriculture, duties of, concerning agriculture, 8
- Board of Agriculture and the Breeding Industry, 116
- Board of Agriculture and disease, 117
- Board of Agriculture, dissatisfaction with, by breeders, 118
- Board of Agriculture and contagious abortion, 120, 125
- Board of Agriculture, Leaflet No. 108, 125
- Board of Agriculture, want of confidence in, 129

INDEX

- Board of Agriculture and scientific research, 130
- Board of Agriculture, grants and expenditure, 131, 134-7
- Board of Agriculture unfit for work required, 138
- Board of Agriculture, Agricultural Education and research, 139
- Board of Agriculture and modern breeders, 146
- Board of Agriculture, reorganisation required, 148
- Breeders other than Agriculturists, 5
- Breeders as experimenters, 85
- Breeders, the value of their experiments, 86
- Breeding of first class stock, 9
- Breeding for dairy 14
- Breeding neglected, 20, 21
- Breeding and science, isolation of, 22
- Breeding in Germany, controlled by State, 87
- Breeding, organisation for help of, 145
- Breeding Industry, 5-26
- Breeding Industry, its growth, 11, 17
- Breeding Industry, its great importance, 20
- Breeding Industry, its value, 27-73
- Breeding Industry, work required for advancement of, 74-115
- Breeding Industry and Board of Agriculture, 116-148
- Breeding Industry to-day and Board of Agriculture, 146
- Breeding Industry requires reorganised Board of Agriculture, 147
- Butter, demand for, 12
- Cab horses, 56, 72
- Caird, Sir J., capital invested by farmers, 30
- Capital invested by farmers, 29, etc.
- Capital invested by farmers, cause of difference in estimates, 31
- Capital invested by farmers, objections to methods employed for estimating, 31, etc.
- Capital invested by farmers, Dr Giffen's estimate probably the best, 35
- Capital invested by farmers, Treasury Returns, 35
- Capital invested by farmers, Mr Turnbull's estimate, 36
- Capital invested by farmers, Mr Harris' estimate, 36
- Carriage horses, 56, 72
- Cats, ferrets, rabbits, number and value estimated, 70, 72
- Cattle, number and value estimated, 41, 72

-
- Cattle, abortion in, 102; epidemic abortion in, 103; loss from abortion, 103
 - Cattle and the meat trade, 107
 - Cattle and dairy, 108
 - Cave, Professor, and epidemic abortion, 125
 - Craigie, Major, capital invested by farmers, 30
 - Dairy cattle, 14
 - Dairy development, 11-14
 - Dairyman and breeding problems, 107
 - Darwin and the science of breeding, 24
 - Department of Animal Industry, administration, 112; officers, 113
 - Disease of animals, scientific problem, 93, 94
 - Diseases of animals and Board of Agriculture, 117
 - Dogs, number and value estimated, 69, 72
 - Domestication of animals, 1
 - Domestication and civilisation, 92
 - English Breeders' supremacy threatened, 2
 - English breeder and foreign competition, 17
 - Epidemic abortion, horses, 101
 - Epidemic abortion, cows, 102
 - Experimental farms, their value for breeding experiments, 87
 - Exportation of horses, 83
 - Farmer as breeder, 10
 - Feeding of pregnant mother, 110
 - Ferrets, rabbits, cats, number and value estimated, 70, 72
 - Fertility of horses, 101
 - Fertility of sheep, 103
 - Flock master and breeding problems, 109
 - Foreign breeding competition, 3
 - Foreign breeding, importance of, to us, 84
 - German breeding controlled by State, 87
 - Giffen, Dr, capital invested by farmers, 30
 - Gilbey, Sir Walter, and German horse breeding, 18
 - Gilbey, Sir Walter, carriage horses from Germany, 58
 - Gilbey, Sir Walter, on exportation of horses, 83
 - Goats, number and value estimated, 69, 72
 - Government and scientific research, 130
 - Grazier and breeding problems, 107
 - Greyhounds, 69, 72
