Neuropathology of Neurodegenerative Diseases

A Practical Guide

Edited by
Gabor G. Kovacs MD, PhD
Associate Professor at the Institute of Neurology, Medical University of Vienna, Vienna, Austria
Every effort has been made in preparing this book to provide accurate and up-to-date information which is in accord with accepted standards and practice at the time of publication. Although case histories are drawn from actual cases, every effort has been made to disguise the identities of the individuals involved. Nevertheless, the authors, editors and publishers can make no warranties that the information contained herein is totally free from error, not least because clinical standards are constantly changing through research and regulation. The authors, editors and publishers therefore disclaim all liability for direct or consequential damages resulting from the use of material contained in this book. Readers are strongly advised to pay careful attention to information provided by the manufacturer of any drugs or equipment that they plan to use.
Contents

List of contributors vi

1 Introduction: classification of neurodegenerative diseases 1
   Gabor G. Kovacs
2 Clinical aspects of dementia 8
   Erin C. Golden and Keith A. Josephs
3 Clinical aspects of movement disorders 29
   Walter Pirker
4 Ethical, health and safety considerations 51
   James W. Ironside
5 Practical approach to diagnosis: sampling and basic stains 55
   Gabor G. Kovacs
6 Molecular methods 70
   Isidro Ferrer
7 Alzheimer's disease 80
   Charles Duyckaerts
8 Tauopathies 109
   Gabor G. Kovacs
9 Synucleinopathies 149
   Irina Alafuzoff, Maria Pikkarainen and Laura Parkkinnen
10 Human prion diseases 176
    James W. Ironside, Diane L. Ritchie, Alexander H. Peden and Mark W. Head
11 Neurodegenerative diseases linked to trinucleotide repeats 195
   Charles Duyckaerts, Natacha Joyon and Alexandra Dürr
12 Amyotrophic lateral sclerosis and frontotemporal lobar degeneration 209
   Tibor Hortobágyi and Nigel J. Cairns
13 Other neurodegenerative conditions I: hereditary cerebral amyloid angiopathies 249
   Ruben Vidal and Bernardino Ghetti
14 Other neurodegenerative conditions II: familial encephalopathy with neuroserpin inclusion bodies 259
   Ruben Vidal and Bernardino Ghetti
15 Other neurodegenerative conditions III: hereditary ferritinopathies 263
   Ruben Vidal and Bernardino Ghetti
16 Other neurodegenerative conditions IV: neurodegeneration with brain iron accumulation 268
   Isidro Ferrer
17 Concomitant pathologies I: cerebrovascular diseases 274
   Isidro Ferrer
18 Concomitant pathologies II: neurodegenerative conditions 292
   Gabor G. Kovacs, Isidro Ferrer and Irina Alafuzoff

Appendix A: Molecular classification of frontotemporal lobar degeneration (FTLD) with genetic correlations 299
   Gabor G. Kovacs and Nigel J. Cairns
Appendix B: Scheme for evaluation of frontotemporal lobar degeneration (FTLD) 300
   Gabor G. Kovacs and Nigel J. Cairns
Index 301
Contributors

Irina Alafuzoff, MD, PhD
Professor of Neuropathology, Department of Immunology, Genetics and Pathology, Uppsala University, Uppsala, Sweden

Nigel J. Cairns, PhD, FRCPath
Professor of Neurology, Department of Neurology, Washington University School of Medicine, St. Louis, MO, USA

Charles Duyckaerts, MD, PhD
Professor of Pathological Anatomy at Paris VI, Pierre et Marie Curie University; Head of Escourolle Neuropathology Laboratory, Raymond Escourolle Neuropathology Department, Groupe Hospitalier Pitié-Salpêtrière; and Senior Investigator, Alzheimer-Prion Research Team-Institut du Cerveau et de la Moelle (ICM), Paris, France

Alexandra Dürr MD PhD
Professor, Institut du Cerveau et de la Moelle épinière; INSERM U1127, CNRS UMR7225, UPMC; and Fédération de Génétique, Pitié-Salpêtrière University Hospital, Assistance Publique–Hôpitaux de Paris, Paris, France

Isidro Ferrer, MD, PhD
Professor of Pathology at the Institute of Neuropathology, Bellvitge University Hospital and University of Barcelona, Spain

Bernardino Ghetti, MD
Professor, Department of Pathology and Laboratory Medicine, Indiana University School of Medicine, Indianapolis, IN, USA

Erin C. Golden, MD
Neurology Resident at the Department of Neurology of the Mayo Clinic College of Medicine, Rochester, MN, USA

Mark W. Head, PhD
Reader at the National CJD Research & Surveillance Unit, Centre for Clinical Brain Sciences, School of Clinical Sciences, University of Edinburgh, Western General Hospital, Edinburgh, UK

Tibor Hortobágyi, MD, PhD, FRCPATH, EFN
Associate Professor and Chair in Neuropathology, Department of Neuropathology, Institute of Pathology, University of Debrecen, Debrecen, Hungary

James W. Ironside, FRCPath, FMedSci
Professor of Clinical Neuropathology at the National CJD Research & Surveillance Unit, Centre for Clinical Brain Sciences, School of Clinical Sciences, University of Edinburgh, Western General Hospital, Edinburgh, UK

Keith A. Josephs, MST, MD, MS
Professor of Neurology, Department of Neurology, Neurodegenerative Diseases, Mayo Clinic College of Medicine, Rochester, MN, USA

Natacha Joyon MD
Raymond Escourolle Neuropathology Department. Pitié-Salpêtrière University Hospital, Assistance Publique – Hôpitaux de Paris and Institut du Cerveau et de la Moelle Epinière, Paris, France

Gabor G. Kovacs, MD, PhD
Associate Professor at the Institute of Neurology, Medical University of Vienna, Vienna, Austria

Laura Parkkinnen, PhD
Senior Research Fellow at the Nuffield Department of Clinical Neurosciences, University of Oxford, John Radcliffe Hospital, Oxford, UK

Alexander H. Peden, PhD
Postdoctoral Research Fellow at the National CJD Research & Surveillance Unit, Centre for Clinical
List of contributors

Brain Sciences, School of Clinical Sciences, University of Edinburgh, Western General Hospital, Edinburgh, UK

Maria Pikkarainen, PhD
University Researcher at the Institute of Clinical Medicine, University of Eastern Finland, Kuopio, Finland

Walter Pirker, MD
Associate Professor at the Department of Neurology, Medical University of Vienna, Vienna, Austria

Diane L. Ritchie, PhD
Postdoctoral Research Fellow at the National CJD Research and Surveillance Unit, Centre for Clinical Brain Sciences, School of Clinical Sciences, University of Edinburgh, Western General Hospital, Edinburgh, UK

Ruben Vidal, MS, PhD
Professor, Department of Pathology and Laboratory Medicine, Indiana University School of Medicine, Indianapolis, IN, USA
