II. PERSONAL MONARCHY AND PARLIAMENTARY GOVERNMENT

I. THE SEVENTEENTH CENTURY

| | PAGE |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|
| 1. Two nations under one government | 15 |
| 2. The Scottish nationality was distinct from the English nationality (<i>a</i>) Ecclesiastically, (<i>b</i>) Economically, and (<i>c</i>) Constitutionally. Each had distinct conceptions of the Common Weal | 16 |
| 3. The Union of the Crowns and Parliamentary Union | 17 |
| 4. At the Union, parliamentary government became almost entirely secularised | 19 |
| 5. Provision for education, and for the poor, was deputed to the National Church in Scotland, and left to the Parish in England . . | 19 |

II. STRAINED RELATIONS

| | |
|------------------------------------------------------------------------------|----|
| 6. The co-operation of King and People | 22 |
| (<i>a</i>) James I. | 22 |
| (<i>b</i>) Sir Edward Phelips | 25 |
| 7. The definition of the respective rights of Crown and Parliament | 26 |
| (<i>a</i>) Impositions | 27 |
| (<i>b</i>) The Great Contract | 27 |

III. THE FAILURE OF PERSONAL MONARCHY

| | |
|----------------------------------------------------------------------|----|
| 8. No longer trusted to interpret the Common Weal aright | 28 |
| 9. No longer trusted to control the resources of the State | 29 |

III. THE MECHANISM OF SOCIETY

I. CHANGES IN THE AIM OF POLITICAL PHILOSOPHY

| | PAGE |
|----------------------------------------------------------------------------------|------|
| 1. Political Apologetics | 32 |
| 2. Locke's <i>Civil Government</i> | 33 |
| (a) The principle of individual consent | 35 |
| (b) Rights in a State of Nature | 36 |
| 3. Locke does not face the question as to the origin of Sovereignty | 37 |
| (a) The coercive power of the State | 37 |
| (b) The continuance of civil society | 38 |
| (c) The Common Weal as negative | 39 |

II. PERSONAL LIBERTY

| | |
|--------------------------------------------------------|----|
| 4. The Plausibility of the doctrine of Locke | 40 |
| 5. Unrestrained Liberty | 41 |
| 6. The aggregate of individual interests | 42 |

III. THE CONTROL OF THE MECHANISM

| | |
|-----------------------------------|----|
| 7. In internal affairs | 45 |
| 8. In foreign relations | 47 |

IV. GOOD AND BAD GOVERNMENT

I. CRITERIA OF GOVERNMENT

| | |
|----------------------------------------------------------|----|
| 1. Utilitarianism fails to discriminate | 49 |
| 2. Maxims for private conduct are inapplicable | 51 |

II. THE STATE AS A MORAL PERSONALITY

| | |
|-----------------------------------------------|----|
| 3. Rousseau and the General Will | 52 |
| 4. The Sovereign State | 54 |
| (a) may be mistaken | 54 |
| (b) and may learn from its mistakes | 55 |
