 class actions re pharmaceuticals, victims' involvement in 141
 development of liability for products 4–5
 influence in Europe 5–6, 20, 43–6 *see under national laws*
 Convention on product liability 23
 'Aquilian liability' *see under* Roman law
 bad faith *see* good faith/bad faith
 blood transfusions, contaminated *see under national laws*
 burden of proof *see under national laws*
 cars, defects in *see under national laws*
 cases *see* courts, role of; individual cases e.g. Contagen/Thalidomide
 causation *see under national laws*
caveat emptor *see under* English law
 chain of contracts/relationships *see under national laws*
 class actions *see under national laws*
 colza oil affair 22, 224, 254, 255
 compensation/damages *see under national laws*
 cost of, as manufacturing cost 187
 competitiveness, effect of product liability on 186
 'complex structure theory' 130
 consumer protection 8–9 *see also under national laws*
 Convention on product liability 23
 Directive as a consumer protection measure 47
 growing support for 46–7
 Contagen/Thalidomide, response to 6 *see also under national laws*
 at international level 23
 contract law
 cumulation of contract and tort remedies 117
 liability under *see under national laws*
 influence of Roman law 10–11
 non-performance of contract *see under national laws*
 protection for third parties 116
 Council of Europe
 Convention on product liability 5, 22–3
 courts, role of 20–1, 38–9 *see under national laws*
 interpretation of Directive provisions 38–9
 criminal liability 34, 36 *see also under national laws*
culpa in contrahendo *see under* German law

- damage to property, liability for
 in *Lex Aquila* 11
 under Directive 9
- dangerous activities, fault for 29
 defect, definition of *see under national laws*
- defences to liability 24 *see also under national laws*
- delict *see tort*
- design of product, liability for
 negligence in (English law) 75
- 'development risks' defence 24, *see also under national laws and Product Liability Directive*
- Directive *see Product Liability Directive*
- Dutch law
 burden of proof 160–3, 167, 178–9, 187
 cars, defects in 158
 causation 162–3
 'claim culture', existence of 176
 compensation/damages 184–5
 for pain and suffering 171–2
 under tort 184–5
 consumer protection
 priority relative to employees' health and safety 158
 as reason for stricter liability 187
 under tort 178–80
 Contagen/Thalidomide, response to 20
 contractual liability 153, 172–3
 courts, role of 20–1, 30, 38, 154–5, 156, 157, 158, 159–63, 165, 166–76, 177, 178–9, 181–2, 185–6
 numbers of cases 171
 size of awards 171–2
- defects
 in cars 158
 definition of defective product 164, 166
 distinction between categories of 154
 liability for 34, 160, 164, 167, 178
- Directive liability regime and delict 154–5
- employees
 health and safety, priority over consumer protection 158
 liability for 155–6
- European product liability *see Product Liability Directive*
- fault-based liability
 combined with negligence-based and strict liability 155
 fault and wrongfulness 167
 under tort 163
- goodwill, manufacturers' fear of losing 170
- implementation of Directive 30, 37–8, 164–6
- industrial injuries, liability for 18
- influences on legal development *see also courts; legal scholars*
 American law 43, 182–3
 German law 42–3, 183
 legal and societal influences 176–81, 183
- insurance schemes, impact of 159, 170, 187–91
- legal scholars, role of 20, 30, 40, 154, 159, 165–6, 168
- out-of-court settlements 168–9, 170
- pharmaceutical products, liability for 178
- presumption of fault 35, 38, 47
- 'producer', definition of 164–5
- recall of products 159, 169–70
- safety
 failure to provide expected level of 166
 greater emphasis by manufacturers 170
- scandals and scares, impact of 158–9
- settlements, preference for 168–9, 170
- significance of product liability 152, 159, 186
- strict liability 154–5, 173, 186

- combined with fault-based and tort 155
 - suppliers' liability 164–5
 - tort 12, 18, 20–1, 153–6, 157–8, 160, 163, 164, 173, 178
 - combined with fault-based and strict liability 155
 - compensation/damages 184–5
 - consumer protection 178–80
 - failure to provide expected level of safety 166
 - liability for wrongful acts 178
 - relationship to European product liability 166–7
 - replacement by strict liability? 176–8
 - wrongfulness and fault 167, 178
 - types of products involved in cases 168
 - use of product, 160, 162, 173
 - duty of care, determining existence of (English law) 53
- economic considerations
- as to Directive 48–50
 - see also under national laws*
- employees' liability *see under national laws*
- English law *see also* United Kingdom
- agricultural products, liability arising from 79–80
 - application of liability for products, extent of 73
 - burden of proof of manufacturers' liability 74
 - caveat emptor*
 - and seller's liability 18
 - development of exceptions to 61–9
 - meaning of 62
 - commercial law basis of liability 6–7
 - 'complex structure theory' 130
 - consumer protection
 - pre-*Donoghue v. Stevenson* 67
 - Consumer Protection Act 78–84
 - contractual liability 6–7, 18–19, 32, 38, 83
 - development pre-*Donoghue v. Stevenson* 61–9
 - implied terms 62–5
 - privity of contract 19, 38, 58–9, 67–8, 69–70
 - relationship to tort 55–60, 69–70
- courts, role of 32–3, 35, 38, 52–3, 55–7, 58–9, 60–1, 67, 68, 69–77, 81–2, 85–6, 130 *see also Donoghue v. Stevenson*
- attitude to and use of legal authorities 70–5, 81–2
 - legislative and judicial intervention contrasted 85
- damage to property, liability for 130
- defect 82
- design of product, and 75
 - knowledge and liability for 19, 34
- development of liability for products 4, 41–2, 54
- before *Donoghue v. Stevenson*
 - relationship between contract and tort 54–69
 - sale of goods, liability under law of 61–9, 83
 - tort 60–1
 - Consumer Protection Act 78–84
 - from *Donoghue v. Stevenson* to Consumer Protection Act 1987
 - support for reform 77–8
 - tort of breach of statutory duty 75–7
 - tort 69–78
- development risks defence 26–7, 78–9, 80, 82
- Donoghue v. Stevenson* 4, 19–20, 32–3, 52–3, 54, 69
- duty of care, determining existence of 53
- exclusion of liability 68–9, 83
- 'fault' 33–4
- harmonisation of liability under the Directive 79

- English law (*cont.*)
 hepatitis C case 81–2
 implementation of Directive 26–7,
 32–3, 37–8, 78–84
 implied terms of sale, liability
 arising from 18, 37, 63, 64,
 65–9, 83
 Benjamin and 62–5
 in contracts of sale 67
 influences *see also courts; legal
 scholars*
 American law 43, 65, 70, 71,
 86
 Roman law 10
 insurance schemes, impact
 of 80–1, 85–6
 knowledge of defects, imposition of
 liability legal scholars, role
 of 20, 21, 32, 40, 53–4, 55,
 56, 57, 59–60, 62–5, 77, 78,
 85–6
 meaning of
 ‘merchantable quality’ 6–7, 18, 19,
 64, 66
 ‘satisfactory quality’ 84
 negligence, liability for *see* tort
 ‘neighbour principle’ 4, 52–3,

 of liability for products *see
 under national laws*
 French law
action directe en garantie (direct
 action) 4, 94, 95
 blood transfusions,
 contaminated 31, 47, 105
 burden of proof 96, 97
 causation 104, 111–13
 chain of contracts 93–4
 compensation/damages 95

- extent of recoverable damage 109
 - for industrial accidents 88–9
 - for victims 100–1
- ‘complete harmonisation’ ruling, effect of 31, 108–11
- consumer goods, accidents and 91
 - relationship to strict liability 102
- consumer protection 101–2, 109
- Contagen/Thalidomide, response to 92
- contractual liability 89, 94, 95–6
 - distinguished from delict 93, 97
- contrast with other legal codes 94
- courts, role of 31, 32, 38, 88, 90, 91, 95, 96–7, 98, 99, 101, 105, 109–13
- development of liability for
 - products 4, 10–11, 34, 42
 - before 1950s 88–90
 - 1950s 91–3
 - 1960–1985
 - factors influencing reform 99
 - rules for contractual liability and tort 94–9
 - structure of liability law 93–9
 - 1985 onwards
 - current uncertainties 106–7
 - role of courts and case law 106–8, 109–13
 - role of legal scholarship 103
 - summary 113
- development risks defence 105–6
- direct action (*action directe en garantie*) 4, 94, 95
- distinction between different types of damage 97
- economic considerations 102–3
- fault, liability for 11–12, 96, 96–7
 - meaning of ‘fault’ (*la faute*) 33
- harmonisation, approach to 17
- implementation of Directive 17, 31–2, 38, 46, 47, 87, 103, 104–5, 108–11
- influence of French Law on
 - Italian law 42, 195–8
 - Spanish law 42
- influences on French law
 - foreign influences 92–3
 - Roman law 15, 95
- insurance schemes, impact of 102–3
- knowledge of defects, imposition of liability for 8, 15–16, 21, 95
- latent defects guarantee (*garantie des vices cachés*) 95–6
 - contrasted with ‘safety defect’ (*défaut de sécurité*), liability for 106–7
- legal scholars, role of 20, 21, 39–40, 88, 90, 91–2, 99, 100–1, 103
- legislation 89 *see also* consumer protection
 - implementation of Directive 31–2, 42, 95, 108–11
- liability for fault, change to strict liability from 99
- liability for things (*responsabilité du fait des choses*) 90, 91, 93, 99, 102
- ‘liability without fault’, use of term 33
- no-choice rule 93
- non-performance of contract, liability for 10
- obligation de sécurité* 90
- owners, liability of 16–17, 42, 89–90
 - traffic accidents 91
- parties to contract, liability of 42
- pharmaceutical products, liability for 32, 91, 111–13
- presumption of fault 33, 35, 95
- privity of contract 93–4
- recoverable damage, extent of 109
- sale of goods, liability under 4, 10, 15–16, 17
- scandals and scares, impact of 92
- special liability schemes, maintenance of 110–11
- strict liability 16–17, 90, 97–9
 - change from liability for fault 99
 - importance in French law 87

- French law (*cont.*)
 relationship to consumer protection 102
 strictness of rules 98–9
 tort 11–12, 16, 89, 94, 96–7
 distinguished from contractual liability 93, 97
 traders' liability 8, 16
 traffic accidents, liability for 91
 users' liability 16–17, 42
 victims, concern for 100–1
- garantie des vices cachés* (latent defects guarantee) (French law) 95–6
- German law
actio doli, liability under 120
 after-sales duties 129–30
 AIDS/HIV, response to 140–1
 applicability of liability for products 132–3
 breach of trust (*Vertrauenshaftung*), liability for 123
 burden of proof 119, 127–8, 131, 143, 145
 chain of relationships 130–1
 class actions, victims' involvement in 141
 compensation/damages from trust funds 139, 140
 'complete harmonisation' ruling, effect of 31, 36
 'complex structure theory' 130
 construction defects, liability for 137
 Contagen/Thalidomide, response to 36, 47, 139
 contract law
 contractual liability 120
 growing support for 122–3
 legislation 115–16

 as distinct area of law
 4–5
 role of
 courts 38–9
 legal scholars 39–41
 legislation 36–8
 summary 50
 distinguished from product
 liability 5–6
 extent of application of (English
 law) 73
 'objective' and 'subjective' nature of
 liability 33–4
 liability for things *see under* French
 law; Italian law
 liability without fault/negligence *see*
 strict liability
 'Mad Cow Disease', response to 5–6,
 47–8
 'merchantable quality' 6–7 *see also*
 English law
 methodology of study 1–2

- negligence-based liability *see* tort
 ‘neighbour principle’ *see under* English law
 Netherlands, the *see* Dutch law
Newcastle Disease case *see under* German law
 no-fault liability *see* strict liability
- obligation de sécurité* (French law) 90
 other forms of liability, use of 5, *see also under national laws*
 out-of-court settlements *see under* Dutch law
- Pearson Report (English law) 77
 pharmaceutical products, liability
 for see specific cases, e.g. Contagen/Thalidomide; see under national laws
 presumption of fault 35 *see also under national laws*
 principle, role of (English law) 71–3
 privity of contract *see under national laws*
- product liability 87
 distinguished from liability for products 5–6
 focus of study on 2
 usage of term 3–4
 Product Liability Directive
 (Directive) 23–33, 37,
 see also harmonisation of liability under the Directive
 absolute v. strict liability in 43–4
 amendment in response to ‘Mad Cow Disease’ 47–8
 consumer protection 8–9, 47
 ‘damage’, definition of 9
 defective product, definition of 166
 defences to liability 24
 ECJ case law *see European Court of Justice*
 future trends and developments 180–1
 harmonisation and 24, 173–4
 impact of Directive 182, 183–4, 186
- implementation 37–8, *see under national laws*
 extent of Member States’ discretion 26–8
 maximum and bases of liability 24–6
 influence of American law 43–6
 insurance schemes, impact of 48–50
 ‘law and economics’ approach to 48–50
 legal scholars’ role in creating 40
 political considerations
 in creation of Directive 47
 in implementation of Directive 47
 relationship to tort 166–7, 173, 178
 retention of ‘special liability systems’ 25, 174–6
 strict liability 24
 transplant, as a 46
 product safety law and codes *see under national laws*
 property, liability for damage to *see* damage
 public authorities, liability of *see national laws*
 pure economic loss, liability for 75
- quasi-vicarious liability *see under* German law
- ‘reasonable fitness for purpose’ *see under* English law
 recall products, liability for failure to (German law) 31
 regulatory authorities, liability of (Italian law) 29
res ipsa loquitur, application of (English law) 74
 rescission of contract 11, 115, 195, 239
 responsibility of superiors (*respondeat superior*) *see under* German law
- Roman law
 actio quanti minoris 11

- 'Aquilian liability' 7
 defective product, liability
 for 10–11
 influence on civil law
 jurisdictions 7–8, 9
 influence on English law 10
 influence on French law 15
 influence on law of sale of
 goods 10–11
 knowledge of defects, imposition of
 liability for 7
 Lex Aquilia 7, 11
 damage to property, liability
 for 11
 price of goods, right of recovery or
 reduction of 11
 rescission of contract 11
- 'safety defect' (*défaut de sécurité*),
 liability for *see under* French
 law
- Saiwa* case (Italian law) 208
- sale of goods, liability under law of
see under contract
- scandals and scares, product
see specific cases e.g.
 Contagen/Thalidomide;
see under national laws
- self-employed persons, liability of *see*
 German law
- settlement, preference for *see under*
national laws
- Spanish law
 agricultural products, liability
 arising from 249
 blood transfusions,
 contaminated 256–9, 267–8
 burden of proof 13, 243–4, 245,
 246, 249, 254, 262, 263
 cars, defects in 240–2
 causation 254
 colza oil affair, response to 22, 36,
 40, 43, 47, 247, 251–6
 compensation 253, 255–6
 'complete harmonisation' ruling,
 effect of 28, 36, 266–7, 267–8
 consumer protection 22, 235–6,
 246–8
- contractual liability 237–8,
 239–42
 latent defects 239–40
 non-performance of contract,
 liability for 13
 privity of contract 13, 241–2
 rescission of contract 239
 courts, role of 22, 28, 29, 38, 237–9,
 240–2, 246, 251–9, 262–3,
 266–8
 reasons for lack of cases 234–5
 criminal liability 253
 defective product, liability for 13
 defects, types of 238
 instruction, defect in 242, 245
 knowledge of defects, imposition
 of liability for 13, 34
 defences to liability 249–50, 258,
 262–3
 development of liability for
 products in
 to 1970s 237–40, 242–5, 246–51
 development risks defence 250,
 256–7, 258–9
 direct action (*action directe*) 235,
 241–2
 European product liability
 ECJ ruling on 'complete
 harmonisation' 266–8
 impact of Directive 251,
 266–8
 implementation of Directive 38,
 248–51, 258–9
force majeure 256–7
 Hague Convention 264
 health and safety 260
 hospitals, liability of
 private hospitals 258–9
 public hospitals 256–7
 industrialisation, State's role
 in 259–60
 influences on Spanish law
 American law 43, 235, 264
 French law 42, 235
 German Law 42, 235, 264
 insurance schemes, impact
 of 263–5
 latent defects 239–40

- Spanish law (*cont.*)
- legal scholars, role of 21–2, 40, 234–6, 240–1, 264, 267
 - legislation
 - compulsory insurance 263–4
 - consumer protection 235–6, 246–8, 267
 - health and safety 260–1
 - industrial inspection 260
 - ordering and defence of industry 260–1
 - public administration 256–9
 - limitation period 243
 - presumption of fault 28, 35, 38, 244, 246
 - product safety law and codes
 - relationship to product liability 259
 - public authorities, liability of 254–5
 - retention of ‘special liability systems’ 36, 38
 - sale of goods, liability under law of 28–9
 - standard of care 262–3
 - strict liability 22, 28, 256–7
 - tort 12, 28–9, 238, 242, 242–3, 246–8, 263
 - requirements for 243
 - types of products involved in cases 247, 249
 - use of product, normal/abnormal 244–5
 - wrongfulness and fault 256–7
 - statutory duty, breach of *see* English law; German law
 - strict liability *see under national laws, Product Liability Directive*
 - terminology, development of 3–9
 - Thalidomide case *see* Contagen/Thalidomide, response to
 - tort *see under national laws*
 - in civil law jurisdictions 11
 - traffic accidents, liability for *see under national laws*
 - United Kingdom *see* English law
 - United States *see* American law
 - ‘unlawful fact’ *see under* Italian law
 - vicarious liability *see under* employer’s liability
 - warranties *see* guarantees/warranties
 - wrongfulness *see under national laws*
