Every effort has been made in preparing this book to provide accurate and up-to-date
 information which is in accord with accepted standards and practice at the time of
 publication. Although case histories are drawn from actual cases, every effort has been
 made to disguise the identities of the individuals involved. Nevertheless, the authors,
 editors and publishers can make no warranties that the information contained herein
 is totally free from error, not least because clinical standards are constantly changing
 through research and regulation. The authors, editors and publishers therefore
 disclaim all liability for direct or consequential damages resulting from the use of
 material contained in this book. Readers are strongly advised to pay careful attention
 to information provided by the manufacturer of any drugs or equipment that they plan
 to use.
