Every effort has been made in preparing this book to provide accurate and up-to-date
information that is in accord with accepted standards and practice at the time of
publication. Although case histories are drawn from actual cases, every effort has been
made to disguise the identities of the individuals involved. Nevertheless, the authors,
editors and publishers can make no warranties that the information contained herein is
totally free from error, not least because clinical standards are constantly changing
through research and regulation. The authors, editors and publishers therefore disclaim
all liability for direct or consequential damages resulting from the use of material
contained in this book. Readers are strongly advised to pay careful attention to
information provided by the manufacturer of any drugs or equipment that they
plan to use.
