Cambridge University Press has no responsibility for the  
 persistence or accuracy of URLs for external or third-party  
 internet websites referred to in this publication, and does not  
 guarantee that any content on such websites is, or will remain,  
 accurate or appropriate.

Every effort has been made in preparing this book to provide  
 accurate and up-to-date information which is in accord with  
 accepted standards and practice at the time of publication.  
 Although case histories are drawn from actual cases, every effort  
 has been made to disguise the identities of the individuals involved.  
 Nevertheless, the authors, editors and publishers can make no  
 warranties that the information contained herein is totally free from  
 error, not least because clinical standards are constantly changing  
 through research and regulation. The authors, editors and publishers  
 therefore disclaim all liability for direct or consequential damages  
 resulting from the use of material contained in this book. Readers are  
 strongly advised to pay careful attention to information provided by  
 the manufacturer of any drugs or equipment that they plan to use.
