## CONTENTS.

## CHAPTER I.

## TYPHUS AND OTHER CONTINUED FEVERS.

	PAGE
The Epidemic Fever of 1661, according to Willis . . . . .	4
Sydenham's epidemic Constitutions . . . . .	9
Typhus Fever perennial in London . . . . .	13
The Epidemic Constitutions following the Great Plague . . . . .	17
The Epidemic Fever of 1685-86 . . . . .	22
Retrospect of the great Fever of 1623-25 . . . . .	30
The extinction of Plague in Britain . . . . .	34
Fevers to the end of the 17th Century . . . . .	43
Fevers of the seven ill years in Scotland . . . . .	47
The London Fever of 1709-10 . . . . .	54
Prosperity of Britain, 1715-65 . . . . .	60
The Epidemic Fevers of 1718-19 . . . . .	63
The Epidemic Fevers of 1726-29: evidence of Relapsing Fever . . . . .	66
The Epidemic Fever of 1741-42 . . . . .	78
Sanitary Condition of London under George II. . . . .	84
The Window-Tax . . . . .	88
Gaol-Fever . . . . .	90
Circumstances of severe and mild Typhus . . . . .	98
Ship-Fever . . . . .	102
Fever and Dysentery of Campaigns: War Typhus, 1742-63 . . . . .	107
Ship-Fever in the Seven Years' War and American War . . . . .	111
The "Putrid Constitution" of Fevers in the middle third of the 18th Century . . . . .	120
Miliary Fever . . . . .	128
Typhus Fever in London, 1770-1800 . . . . .	133
Typhus in Liverpool, Newcastle and Chester in the last quarter of the 18th century . . . . .	140
Fever in the Northern Manufacturing Towns, 1770-1800 . . . . .	144
Typhus in England and Scotland generally, in the end of the 18th century . . . . .	151
Fevers in the Dearth of 1799-1802 . . . . .	159
Comparative immunity from Fevers during the War and high prices of 1803-15. . . . .	162
The Distress and Epidemic Fever (Relapsing) following the Peace of 1815 and the fall of wages . . . . .	167
The Epidemic of 1817-19 in Scotland: Relapsing Fever . . . . .	174
The Relapsing Fever of 1827-28 . . . . .	181
Typhoid or Enteric Fever in London, 1826 . . . . .	183
Return of Spotted Typhus after 1831: "Change of Type." Distress of the Working Class . . . . .	188
Enteric Fever mixed with the prevailing Typhus, 1831-42 . . . . .	198
Relapsing Fever in Scotland, 1842-44 . . . . .	203

Cambridge University Press

	PAGE
The "Irish Fever" of 1847 in England and Scotland . . . . .	205
Subsequent Epidemics of Typhus and Relapsing Fevers . . . . .	208
Relative prevalence of Typhus and Enteric Fevers since 1869 . . . . .	211
Circumstances of Enteric Fever . . . . .	216

## CHAPTER II.

## FEVER AND DYSENTERY IN IRELAND.

Dysentery and Fever at Londonderry and Dundalk, 1689 . . . . .	229
A generation of Fevers in Cork . . . . .	234
Famine and Fevers in Ireland in 1718 and 1728 . . . . .	236
The Famine and Fever of 1740-41 . . . . .	240
The Epidemic Fevers of 1799-1801 . . . . .	248
The Growth of Population in Ireland . . . . .	250
The Famine and Fevers of 1817-18 . . . . .	256
Famine and Fever in the West of Ireland, 1821-22 . . . . .	268
Dysentery and Relapsing Fever, 1826-27 . . . . .	271
Perennial Distress and Fever . . . . .	274
The Great Famine and Epidemic Sickesses of 1846-49 . . . . .	279
Decrease of Typhus and Dysentery after 1849 . . . . .	295

## CHAPTER III.

## INFLUENZAS AND EPIDEMIC AGUES.

Retrospect of Influenzas and Epidemic Agues in the 16th and 17th centuries . . . . .	306
The Ague-Curers of the 17th Century . . . . .	315
The Peruvian Bark Controversy . . . . .	320
The Influenza of 1675 . . . . .	326
The Influenza of 1679 . . . . .	328
The Epidemic Agues of 1678-80 . . . . .	329
The Influenza of 1688 . . . . .	335
The Influenza of 1693 . . . . .	337
The Influenza of 1712 . . . . .	339
Epidemic Agues and Influenzas, 1727-29 . . . . .	341
The Influenza of 1733 . . . . .	346
The Influenza of 1737 . . . . .	348
The Influenza of 1743 . . . . .	349
Some Localized Influenzas and Horse-colds . . . . .	352
The Influenza of 1762 . . . . .	356
The Influenza of 1767 . . . . .	358
The Influenza of 1775 . . . . .	359
The Influenza of 1782 . . . . .	362
The Epidemic Agues of 1780-85 . . . . .	366
The Influenza of 1788 . . . . .	370
The Influenza of 1803 . . . . .	374
The Influenza of 1831 . . . . .	379
The Influenza of 1833 . . . . .	380
The Influenza of 1837 . . . . .	383
The Influenza of 1847-48 . . . . .	389
The Influenzas of 1889-94 . . . . .	393
The Theory of Influenza . . . . .	398
Influenza at Sea . . . . .	425
The Influenzas of Remote Islands . . . . .	431

## CHAPTER IV.

## SMALLPOX.

	PAGE
Retrospect of earlier epidemics . . . . .	434
Smallpox after the Restoration . . . . .	437
Sydenham's Practice in Smallpox . . . . .	445
Causes of Mild or Severe Smallpox . . . . .	450
Pockmarked Faces in the 17th Century . . . . .	453
The Epidemiology continued to the end of the 17th century . . . . .	456
Smallpox in London in 1694: the death of the Queen . . . . .	458
Circumstances of the great Epidemic in 1710. . . . .	461
Inoculation brought into England . . . . .	463
The popular Origins of Inoculation . . . . .	471
Results of the first Inoculations; the Controversy in England . . . . .	477
Revival of Inoculation in 1740: a New Method . . . . .	489
The Suttonian Inoculation. . . . .	495
Extent of Inoculation in Britain to the end of the 18th Century . . . . .	504
The Epidemiology continued from 1721 . . . . .	517
Smallpox in London in the middle of the 18th century . . . . .	529
The Epidemiology continued to the end of the 18th century . . . . .	535
The range of severity in Smallpox, and its circumstances . . . . .	544
Cowpox . . . . .	557
Chronology of epidemics resumed from 1801 . . . . .	567
The Smallpox Epidemic of 1817-19. . . . .	571
Extent of Inoculation with Cowpox or Smallpox, 1801-1825 . . . . .	582
The Smallpox Epidemic of 1825-26. . . . .	593
A generation of Smallpox in Glasgow . . . . .	597
Smallpox in Ireland, 1830-40 . . . . .	601
The Epidemic of 1837-40 in England . . . . .	604
Legislation for Smallpox after the Epidemic of 1837-40 . . . . .	606
Other effects of the epidemic of 1837-40 on medical opinion . . . . .	610
The age-incidence of Smallpox in various periods of history . . . . .	622

## CHAPTER V.

## MEASLES.

Derivation and early uses of the name . . . . .	632
Sydenham's description of Measles in London, 1670 and 1674 . . . . .	635
Measles in the 18th century . . . . .	641
Increasing mortality from Measles at the end of the 18th century . . . . .	647
Measles in Glasgow in 1808 and 1811-12: Researches of Watt . . . . .	652
Measles in the Period of Statistics . . . . .	660

## CHAPTER VI.

## WHOOPIING-COUGH.

Earliest references to whooping-cough . . . . .	666
Whooping-cough in Modern Times . . . . .	671
Whooping-cough as a Sequel of other Maladies . . . . .	674

Cambridge University Press

## CHAPTER VII.

## SCARLATINA AND DIPHTHERIA.

	PAGE
Nosological difficulties in the earlier history . . . . .	678
The Throat-distemper of New England, 1735-36 . . . . .	685
Angina maligna in England from 1739 . . . . .	691
An epidemic of Throat-disease in Ireland, 1743 . . . . .	693
Malignant Sore-throat in Cornwall, 1748 . . . . .	694
Fothergill's Sore-throat with Ulcers, 1746-48 . . . . .	696
"Scarlet Fever" at St Albans, 1748 . . . . .	698
Epidemics of Sore-throat with Scarlet rash in the period between Fothergill and Withering . . . . .	699
Scarlatina anginosa in its modern form, 1777-78 . . . . .	708
History of Scarlatina after the Epidemic of 1778 . . . . .	713
Scarlatina (1788) and Diphtheria (1793-94) described by the same observer . . . . .	715
Scarlatinal Epidemics, 1796-1805 . . . . .	719
Scarlatina since the beginning of Registration, 1837 . . . . .	726
Reappearance of Diphtheria in 1856-59 . . . . .	736
Conditions favouring Diphtheria . . . . .	744

## CHAPTER VIII.

## INFANTILE DIARRHOEA, CHOLERA NOSTRAS, AND DYSENTERY.

Summer Diarrhoea of Infants in London, 17th century . . . . .	748
Summer Diarrhoea of Infants, 18th century . . . . .	754
Modern Statistics of Infantile Diarrhoea . . . . .	758
Causes of the high Death-rates from Infantile Diarrhoea . . . . .	763
Cholera Nostras . . . . .	768
Dysentery in the 17th and 18th centuries . . . . .	774
Dysentery in the 19th century . . . . .	785

## CHAPTER IX.

## ASIATIC CHOLERA.

Asiatic Cholera at Sunderland in October, 1831 . . . . .	796
Extension of Cholera to the Tyne, December, 1831 . . . . .	802
The Cholera of 1832 in Scotland . . . . .	805
The Cholera of 1832 in Ireland . . . . .	816
The Cholera of 1832 in England . . . . .	820
The Cholera of 1848-49 in Scotland . . . . .	835
The Cholera of 1849 in Ireland . . . . .	839
The Cholera of 1849 in England . . . . .	840
The Cholera of 1853 at Newcastle and Gateshead . . . . .	849
The Cholera of 1854 in England . . . . .	851
The Cholera of 1853-54 in Scotland and Ireland . . . . .	855
The Cholera of 1865-66 . . . . .	856
The Antecedents of Epidemic Cholera in India . . . . .	860
Note on Cerebro-Spinal Fever . . . . .	863
