INDEX OF SUBJECTS

- Abolition, *see* Emancipation
- Abortion among slaves, 226
- Act to provide for the Establishment of Dispensaries and to extend the Facilities of Medical Aid to the Several Parishes of the Island (31 December 1845), 256
- Africans
 indenture immigration of, into Jamaica, 110–11, 176–7, 334 (table)–335 (table), 337
 native-born, mortality of, 176–7; in population, 69–70, 176
- Age groups
 of African-born slaves, 176
 of East Indian indenture immigrants, 129, 130 (table)
 family types, distribution by, 266–8, 295–6, 297 (table), 298, 300–1
 fertility rates by, 272–7
 internal migration and, 143–4
 in labour force, 92–100
 marriage and, 292–4
 mortality by, 184, 196–200, 310
 of mothers with illegitimate children, 289–91
 of parents, family type and, 295–6, 297 (table), 298, 300–1
 in population, 60–3
 population estimates by, 317–19, 327 (table), 328–9
 records of, 22–3
 sex ratio, by, 71–2
 of slaves, 246
- Agricultural workers, 56–7, 87 (table), 89, 90–2
 defined, 88 n.
 emancipation and, 106
 female, 56, 98, 99 (figure), 313
 male, 56–8, 96–8, 312
 occupations of, 90, 91–2
 per square mile of cultivated land, 56–8
 urbanization and, 100
 white, 31
 see also Agriculture
- Agriculture
 efficiency of, 57
 employment in, *see* Agricultural workers
 importance of, and urbanization, 164
 supporting capacity of, 57–8
 see also Agricultural workers
- Annotto Bay, banana trade of, 137
- Antigua, population of, 55–6, 330 (table)–331 (table), 332
- Apprenticeship period
 education during, 77–8
 mortality during, 165–75
 plantation labour force, 104–5
- Australia, population mobility of, 144
- Banana trade, migration and, 136–9, 149, 151
- Baptism of slaves, 231–2
- Barbados
 birth rate in, comparative, 270–2
 census of 1844, 7
 infant mortality in, 188 (table), 309
 life expectancy in, 193–4, 195 (table)
 literacy in, 79
 mating in, 293–4
 migration and, 102–3, 133–6, 325
 mortality in, 182–3; compared with United States 201–3; compared with West Indies, 185–7; slave, 40
 population of, 330 (table)–331 (table), 331–2; density, 55–6; estimated, 1–2; growth, 48–50; sex ratios at birth, 75; slave, 40, 41; urban, 162
 reproduction rates of, 278–9
 slaves in, 40, 41
- Bastardy laws, 251, 252, 254
- Birth(s)
 life expectation at, 193–204
 registration of, 15, 23–6
 sex ratio at, 74–5
- Birth rates
 comparative, in British West Indies, 270–2
 fertility and, 279, 280

Females—*contd.*

- in commerce, 87 (table), 88, 89 (figure), 98–100
 - as domestics, 87 (table), 88, 89 (figure), 98, 99 (figure), 100
 - life expectancy of, 193–6, 311
 - in industry, 99 (figure), 100
 - internal migration of, 143–4, 146 (table), 148 (table), 149, 150 (table), 152, 153 (table), 154
 - in labour force, 86–96, 100, 313, 329
 - marriage chances for, 292–3
 - mortality of, 75, 196–204; cause of death, 207–15, 310; infant, 189–90; in Jamaica, 182–3
 - occupational shifts of, 312–13
 - in professions, 87 (table), 88, 89 (figure)
 - in rural areas, 100
 - school attendance of, 82
- Fertility**
- age specific rates of, 272–9
 - birth rates, 269–72, 279, 280
 - in British West Indies, comparative, 270–2
 - children in population and, 61, 62, 63
 - in cities, 280–1, 285, 287
 - control, by slaves, 226; population control and, 326–9
 - economic conditions and, 282
 - emancipation and, 247
 - family type and, 268–9, 294–306, 314–15, 316
 - illegitimacy and, 301–2, 306
 - industrialization and, 315–16
 - literacy and, 285–7
 - marriage and, 316
 - mating and, 217
 - occupational shifts and, 312–13
 - by parishes, 280–7
 - population growth and, 307
 - projected, in Jamaica, 315–17
 - reproduction rates and, 277–9, 282–5
 - of slaves, 225–6, 245–7; encouragement of, 236–42; records of, 4–5, 13; registration period, 39–40
 - techniques of analysis of, 263
 - trend in, 45, 47, 311–17
 - urbanization and, 164, 312, 313–14, 315–16
 - see also* Reproduction
- Fevers, mortality from, 168–70, 173
- Fiji, indenture system in, 126

Fire, mortality from, 183

Free coloured population

- described, 38
- distribution of, 64–70
- in early slavery period, 38–9
- manumission and, 38
- mating of, 228–30
- miscegenation and, 38
- proportion of, at school, 83
- in registration period, 41
- sex ratios of, 73–4
- in urban centres, 68–9, 74

Geographical distribution of races, 66–70

Grenada

- age specific fertility rates in, 273–5
- birth rate in, comparative, 270–2
- East Indian immigration into, 128
- illegitimacy in, 289–91
- immigration into, 110, 116, 128
- population of, 330 (table)–331 (table), 333; density, 55–6
- reproduction rates of, comparative, 278–9
- sex ratios at birth, 75
- slave registration in, 4

Gross reproduction rates, *see* Reproduction ratesGrowth, *see* Population growth**Hanover**

- emigration from, 141 (table)

INDEX OF SUBJECTS

Males—*contd.*

- emigration of, 140–1
- in industry, 97 (figure)
- internal migrations of, 143–4, 145 (table), 147 (table), 149, 150 (table), 152, 153 (table), 154, 156
- in labour force, 86–92; by age, 92–5; projected, 320–1, 329
- marriage chances for, 292–3
- mortality of, 75; cause of death, 207–15; infant, 189–90; life expectancy of, 193–6, 310–11
- occupational shifts of, 312

Manchester

- fertility in, 282
- gross reproduction rates in, 281 (table), 283, 284 (figure)
- illegitimacy in, 290 (table)
- mortality in, 191–3, 196–204
- emigration from, 141 (table)
- internal migration and, 145 (table)–148 (table), 194, 150 (table), 151–3, 155, 156
- literacy in, 78–9
- population growth in, 51–5
- sanitary regulation in, 261
- school attendance in, 83

Manumission, 38, 39–40**Marriage**

- age of, 293–4
- family types and, 265, 266–8, 291–4
- fertility and, 316
- inter-racial, 230
- among mulattoes, 230
- of Negroes, emancipation and, 248–54
- rate, 254, 287–8
- registration, 14, 17–18
- of slaves, 217, 227–8, 232, 242–5; emancipation and, 248–54
- see also* Mating

Marriage Law of 11 April 1840, 249–50**Mating**

- in Barbados, 293–4
- in British West Indies, 293–4
- fertility and, 217, 268–9
- of free coloured population, 228–30
- illegitimacy and, 287–94
- in post-emancipation period, 248–54
- of slaves, 217, 223, 226–30, 232, 233–4, 237, 243–5, 246–7
- types of, 263–9
- see also* Marriage

Mauritius, 111, 113, 117–18**Medical service**

- cost of, 259
- establishment of, 256–60
- mortality and, 309

Mexico, 79, 133**Migration**

- to cities, 52–3, 157–8
- inter-Caribbean, 20, 322–5
- population and, 48–50, 59
- post-emancipation, 101–2
- sex ratio and, 71–2
- statistics, 18–21
- see also* Emigration; Immigration; Indenture Immigration; Internal migration

Miscegenation, 228–30

- East Indians and, 66
- free population and, 38

Montserrat

- population of, 55–6, 330–1 (table), 332
- sex ratios, 74

Mortality, 21, 165–215

- of African-born population, 176–7
- by age groups, 196–200, 310
- apprenticeship period, 165–75
- causes of, 168–71, 181, 204–15, 310
- children in population and, 61, 62
- in cities, 164, 191–3
- in civil registration period, 183–215
- comparative, in Jamaica, and Europe, 310–11; and United Kingdom, 203–4; and United States, 201–3
- control, 309–11
- decline in, 45, 47, 53, 197, 199–200, 308
- disease control and, 184–5
- emancipation and, 254–62, 309
- of Europeans, 178–83
- of females, 196–204
- from hurricanes, 174
- indenture immigration and, 115, 116, 118–19
- infant, *see* Infant mortality
- life tables, 193–204
- of males, 196–204
- by parishes, 191–3
- population growth and, 46–9, 307
- in post-emancipation period, 254–62, 309
- in pre-registration period, 175–83
- records, 13, 14, 15, 18
- sanitation and, 259–62, 309

INDEX OF SUBJECTS

353

St Andrew—*contd.*

- gross reproduction rates in, 283, 284 (figure), 286
- illegitimacy in, 290 (table), 302, 303 (table)
- internal migration and, 145 (table)–148 (table), 149, 150 (table), 151, 153 (table), 154, 157, 158, 159, 160
- literacy in, 78–9, 286
- migration and, 141–2
- mortality in, 191 n.
- population, 51 (table), 52–3, 154, 162; densities, 55–6; growth, 51–5; proportion of total, 319; racial composition, 66–9, 74; sex ratios, 72, 74
- sanitary regulation in, 261
- school attendance in, 81–3

St Ann

- banana trade of, 137, 138
- emigration from, 140–1
- gross reproduction rates in, 281 (table), 283, 284 (figure)
- illegitimacy in, 290 (table)
- internal migration and, 145 (table)–148 (table), 149, 150 (table), 151–3, 155, 157
- literacy in, 78–9
- mortality in, 191–3
- population, densities, 56; growth, 51–5
- school attendance in, 82–3

St Catherine

- emigration from, 140–1
- gross reproduction rates in, 281 (table), 283, 284 (figure)
- illegitimacy in, 290 (table)
- internal migration and, 145 (table)–148 (table), 149, 150 (table), 151–7
- literacy in, 78–9
- mortality in, 191–3
- population growth in, 51–5
- school attendance in, 82, 83

St Croix, East Indian immigration into, 117–18

St Elizabeth

- emigration from, 141 (table)
- fertility in, 282, 285
- gross reproduction rates in, 281 (table), 283, 284 (figure), 286
- illegitimacy in, 290 (table)
- internal migration and, 145 (table)–148 (table), 149, 150 (table), 151–7
- literacy in, 78–9, 286
- mortality in, 191–3

population growth in, 51–5

school attendance in, 81–3, 84

St Helena, emigration from, 107, 110, 113

St James

- emigration from, 141 (table)
- fertility in, 285
- gross reproduction rates in, 281, 283, 284 (figure), 286
- illegitimacy in, 290 (table)
- internal migration and, 145 (table)–148 (table), 150 (table), 153 (table), 155, 157
- literacy in, 78–9, 286
- mortality in, 191–3
- population growth in, 51–5
- school attendance in, 81–3

St Kitts–Nevis

- African immigration into, 110
- East Indian immigration into, 117–18, 128
- population densities of, 56 (table)
- population of, 330 (table)–331 (table), 332

St Lucia

- African immigration into, 110
- East Indian immigration into, 117–18, 128
- immigration into, 116
- population densities of, 56 (table)
- population of, 330 (table)–331 (table), 333

St Mary

- banana trade of, 137
- emigration from, 140–1
- fertility in, 282
- gross reproduction rates in, 281 (table), 283, 284 (figure)
- illegitimacy in, 290 (table)
- internal migration and, 145 (table)–148 (table), 149, 150 (table), 151–5, 157
- literacy in, 78–9
- mortality in, 191–3
- population densities of, 56
- population growth in, 51–5
- school attendance in, 83

St Thomas

- banana trade of, 137
- emigration from, 140–1
- fertility in, 282
- gross reproduction rates in, 281 (table), 283, 284 (figure)
- illegitimacy in, 290 (table)

- South Africa, Indians in, 125
- South Sea Company, 34
- Sugar industry, 151, 138–9
- Suicides among slaves, 174, 219, 224–5
- Survival ratios from censuses, 22–3
- Syphilis
 control of, 260, 262
 infant mortality from, 205–6
 mortality from, 207–15
see also Venereal disease
- Syrians in population, 66
- Tetanus, mortality from, 174
- Tobago
 population of, 330 (table)–331 (table), 333
 slave registration in, 4
- Treaty of Washington (1862), African immigration and, 110
- Trelawny
 banana trade of, 137, 138
 emigration from, 141 (table)
 fertility in, 282
 gross reproduction rates in, 281 (table), 283, 284 (figure)
 illegitimacy in, 290 (table)
 internal migration and, 145 (table)–148 (table), 150 (table), 153 (table), 155, 157
 literacy in, 78–9
 mortality in, 191–3
 population densities of, 56
 population growth in, 51–55
 school attendance in, 82, 83
- Trinidad
 African immigration into, 110
 birth rate in, comparative, 270–2
 East Indian immigration into, 114–15, 117–18, 128
- East Indian population of, 130, 131 (table)
 emigration to, 322
 infant mortality in, 188 (table)
 intercolonial migration in, 20
 length of life in, 193–4, 195 (table)
 mortality in, 181, 185–7
 population of, 330 (table)–331 (table), 333; density, 55–6; growth, 48, 50; urban, 162
 registration law of, 15
 reproduction rates of, comparative, 278–9
 sex ratios at birth, 75
 urbanization of, 162
- Troops
 causes of death of, 168–71
 mortality of, in Caribbean, 165–72
- Tuberculosis, mortality from, 207–15
- Typhoid, control of, 260–1, 262
- United Kingdom
 age-specific fertility rates in, 273–5
 causes of death in, 213–15
 emigration to, 322
 marriage chances in, 292–3
 marriage rate of, comparative, 291–3
 mortality in, 203–4, 213–15
 natives of, in population, 70
- United States
 emigration to, 46, 47, 138, 139–40, 321, 339
 indentured labour from, 132, 338
- Jamaica and, 137
 mobility of population, 144
