PREFATORY NOTE.

THIS book is intended to supplement the *Short History of the Hebrews* (published in 1901) in which the writer was unable to deal particularly with the development of *religion* in Israel. The concluding chapter of the present work will sufficiently indicate the standpoint from which the subject is treated. No attempt is made to deal exhaustively with the theology of the Old Testament, but only to depict in general outline the course of Israel's spiritual history.

For the full titles of the works briefly referred to as 'Marti,' 'Smend,' 'Kautzsch,' etc., see page 219.

April, 1905.
