INDEX

[It has been thought that the systematic subdivision of the book would help readers to find references to particular physical and human features and names, and the compiler of the index has therefore avoided lengthening it by the inclusion of a large number of names, but has rather specialised on references to geographical subjects.]

- Aberdeen, 405–407
 Aire Gap, 270, 286
 Anglo-Saxon influence, in Central South England, 77–78; in SW. England, 110; in lower Severn Basin, 127; in E. Anglia, 160–161; in the Fenlands, 177; in the NE. Midlands, 205, 214; in the NW. Midlands, 225–227; in Wales, 250; in Yorkshire, 329; in Cumbria, 365. *See also* Norse influence, Scandinavian influence
 Anglo-Saxon origin, of Cinque Ports, 31; of Wolverhampton, 227
 Anthropological types, in SW. England, 110–111; in Wales, 249–250
 Anticlines, in London Basin, 42; in Thames Valley, 47; in Central South England, 69–71, 74, 81; in SW. England, 96; of the Mendips, 120; in NE. Midlands, 210; in NW. Midlands, 219, 221, 222; in Wales, 240–242; in Lancastria, 290; in S. Yorkshire Coalfield, 303–305; in E. Yorkshire, 312; in Cumbria, 354
 Anticlinorium, of SE. England, 20; of Southern Uplands, 467
 Armorican remnants in SW. England, 96
 Armorican trend lines in Wales, 241
 Armorican upheaval in SW. England, 93
 Armorican valleys in SW. England, 99
 Basque, 237, 434
 Beaches (raised), in SW. England, 98; in lower Severn Basin, 119; in NE. England, 334; in N. Scotland, 384–386; in NE. Scotland, 411; in Ness valley, 414; in Sutherland, 418; in Central Scotland, 426, 430, 435, 443, 450–451, 455, 456, 458, 469
 Beech, in SE. England, 26–28; in the London Basin, 53, 55, 56; in Central South England, 77, 82; in SE. Midlands, 143; in Holderness, 316
 Birmingham, 226–231
 Blackburn, 287
 Bog land, in London Basin, 52; in Wales, 240, 243
 Boot manufactures, of Northampton, 147; of Leicester, 215
 Boulder Clay, in London Basin, 46, 58; in SE. Midlands, 143; in E. Anglia, 153, 158, 161; in the Fenlands, 175; in Lincolnshire, 186–191, 193–195; in NE. Midlands, 212–213; in NW. Midlands, 224; on Welsh plateau, 240, 242–243; in Lancastria, 290; in Holderness, 314–316; in Yorkshire, 327; in Cumbria, 355, 361 (footnote); in Don valley (Scotland), 403–404; in NE. Scotland, 409–410; in Sutherland, 416; in Caithness, 417; in Central Scotland, 430, 441, 451; in Southern Uplands, 471, 475; in Galloway, 477. *See also* Glacial, and Moraines
 Brick-making, in SE. Midlands, 145; in Southern Uplands, 481
 Bristol, 128–130
 Brochs, distribution in Caithness, 417–418
 Bronze Age, in SE. England, 30; in E. Anglia, 159; in Wales, 238, 245–246
 Caledonian movements, in lower Severn Basin, 119; in Cumbria, 353–354; in Central Scotland, 421, 428, 447
 Canals, in SE. Midlands, 146; in NW. Midlands, 230; in S. Wales, 258; in Lancastria, 279, 280; in Hull district, 318; in Central Scotland, 463
 Canterbury, 31
 Carse of Gowrie, 449
 Cattle, in SE. England, 34; in Central South England, 79, 85; in SW. England, 101, 102; in Plain of Hereford, 122; in Plain of Somerset,
