## PREFATORY NOTE

THE two earlier of these discourses were preached on 13th January and 21st July 1918, and formed part of a series of sermons by laymen given in St Edward's Church, Cambridge. The last was preached in King's College Chapel on 26th January 1919, after the return to the University of many undergraduates who had been serving in the war.

They are published together as they are concerned with one aspect—the religious aspect—of a problem which is in all men's minds at the present time.
