A guide to Cambridge English: Key

Cambridge English: Key, also known as the *Key English Test (KET)*, is part of a comprehensive range of exams developed by Cambridge English Language Assessment. Cambridge English exams have similar characteristics but are designed for different purposes and different levels of English language ability. *Cambridge English: Key* is at Level A2 (Waystage) of the Council of Europe's Common European Framework of Reference for Languages (CEFR). It has also been accredited in the UK as an Entry Level 2 ESOL certificate in the UK's National Qualifications Framework.

Examination	Council of Europe Framework Level	UK National Qualifications Framework Level
Cambridge English: Proficiency <i>Certificate of Proficiency in English (CPE)</i>	C2	3
Cambridge English: Advanced <i>Certificate in Advanced English (CAE)</i>	C1	2
Cambridge English: First <i>First Certificate in English (FCE)</i>	B2	1
Cambridge English: Preliminary <i>Preliminary English Test (PET)</i>	B1	Entry 3
Cambridge English: Key <i>Key English Test (KET)</i>	A2	Entry 2

Cambridge English: Key is accepted by employers, further education and government departments for business, study and immigration purposes. It is also useful preparation for higher level exams, such as *Cambridge English: Preliminary* and *Cambridge English: First*.

Cambridge English: Key is a great first step in English. Preparing for the exam will build your confidence in dealing with everyday written and spoken English at a basic level, for example expressing and understanding simple opinions; filling in forms; and writing short, simple letters.

Cambridge English: Key is also available in a version with exam content and topics specifically targeted at the interests and experience of school-aged learners. *Cambridge English: Key for Schools*, also known as the *Key English Test (KET) for Schools*, follows exactly the same format and level and leads to the same certificate as *Cambridge English: Key*.
