PROMPT Training Permissions and Licences

Units or institutions paying for a multi-professional team to attend an authorised PROMPT Train the Trainers (T3) Day are **only** permitted to run PROMPT multi-professional obstetric emergencies training courses, using PROMPT Course in a Box materials, within their own unit or institution.

Any PROMPT training conducted outside the unit or institution that has permission (see above) **requires a licence** from the PROMPT Maternity Foundation (PMF), e.g. a professional organisation or body wishing to roll out PROMPT training within a region or country, or a unit wishing to run PROMPT training at other hospitals outside of their own hospital group.

PMF are happy to discuss licensing arrangements or answer any questions relating to training permissions at any time. Please contact info@promptmaternity.org giving details of the training that is proposed.

The rights of Cathy Winter, Jo Crofts, Chris Laxton, Sonia Barnfield and Tim Draycott to be identified as Authors of this work on behalf of the PROMPT Maternity Foundation have been asserted by them in accordance with the Copyright, Designs and Patents Act, 1988.

This publication is in copyright. Subject to statutory exception and to the provisions of relevant collective licensing agreements, no reproduction of any part may take place without the written permission of Cambridge University Press.

.....
Every effort has been made in preparing this book to provide accurate and up-to-date information which is in accord with accepted standards and practice at the time of publication. Although case histories are drawn from actual cases, every effort has been made to disguise the identities of the individuals involved. Nevertheless, the authors, editors and publishers can make no warranties that the information contained herein is totally free from error, not least because clinical standards are constantly changing through research and regulation. The authors, editors and publishers therefore disclaim all liability for direct or consequential damages resulting from the use of material contained in this book. Readers are strongly advised to pay careful attention to information provided by the manufacturer of any drugs or equipment that they plan to use.
