All rights reserved. No part of this publication may be reproduced, stored or transmitted in any form or by any means, without the prior written permission of the publisher or, in the case of reprographic reproduction, in accordance with the terms of licences issued by the Copyright Licensing Agency in the UK [www.cla.co.uk]. Enquiries concerning reproduction outside the terms stated here should be sent to the publisher at the UK address printed on this page.

Registered names

The use of registered names, trademarks, etc. in this publication does not imply, even in the absence of a specific statement, that such names are exempt from the relevant laws and regulations and therefore free for general use.

Product liability

Drugs and their doses are mentioned in this text. While every effort has been made to ensure the accuracy of the information contained within this publication, neither the authors nor the publishers can accept liability for errors or omissions. The final responsibility for delivery of the correct dose remains with the physician prescribing and administering the drug. In every individual case the respective user must check current indications and accuracy by consulting other pharmaceutical literature and following the guidelines laid down by the manufacturers of specific products and the relevant authorities in the country in which they are practising.

The rights of the authors to be identified as Authors of this work have been asserted by them in accordance with the Copyright, Designs and Patents Act, 1988.

A machine-readable catalogue record for this publication is available from the British Library [www.bl.uk/catalogue/listings.html]
