PREFACE

In preparing this book much use has been made of the Proceedings of the Devonshire Association and of the first volume of the Victoria History of Devon. The authors also desire to take this opportunity of recording their grateful thanks to Her Gracious Majesty Queen Alexandra for her kindness in providing one of the most interesting illustrations in the volume—the beautiful photograph of the Armada trophy preserved among the Royal plate in Windsor Castle, taken for the purpose of this volume by her command.

F. A. K. and L. M. D.

March, 1910.
