INDEX.

* * Names, &c., in *italics* refer to the University of *Oxford*.

Under the names of the Colleges or Halls it has not been thought necessary to give a reference to each page on which any alumnus is mentioned, though this has been done in some instances; the use of the brackets in this Index and in the foregoing List of Publications will enable any one to compile such a list without much labour if it be thought worth the while.

- Abbott, W. (Joh.), 31.
 Abinger, see Scarlett
 'Academic' [Green's], 150.
 accents, 113.
 acts = comitia, 18.
 acts (in the schools) 15, 34—43, 61, 69, 218, 301, 321, 322.
 act's breakfast, 36.
