Volumes II, III, and IV of the *Cambridge Mathematical Journal* have on the title pages the dates 1841, 1843, 1845 respectively, and volume VIII of the *Cambridge Philosophical Transactions* has the date 1849. As each of these volumes extends over more than a single year, I have added the year of publication for the papers 1, 2, ..., 12. In all other cases, the year of publication is shown by the date on the title page of the volume.
