INDEX

1. Names of unimportant tribal sections and subsections and of persons mentioned only in genealogical trees are omitted from the index in cases where no explanatory remarks concerning them are made.

2. The following abbreviations are used :—

G. Gebel; i.e. mountain or hill.

R. River.

S.T. Section, or subsection, of tribe.

T. Tribe, or people.

V. Village, town, or small district.

W. Wells, or watering place.

3. When the page reference in the index is to a note, the number of the page is printed in italics.

4. It should be remembered in looking out words in the index that the Arabic **ق**, which is pronounced like a hard *G* in Kordofán, is throughout the text and notes transliterated *Q* and not *G*.
