# I N D E X.

The following Index refers to the pages of Stephens, which are given in the margin of the translation. The page of Stephens is divided into five parts by the letters A, B, C, D, E, which are retained in the Index though they are not given in the margin. Thus the letter A signifies the first portion of the page, the letter B the second, and so on.

The order in which the dialogues are arranged in the translation is as follows :
