(1) Les règles suivantes ont été observées dans la rédaction de cette table :  
1° Les formes différentes d'un même nom ont été groupées en un seul article, avec renvoi des formes divergentes à la forme choisie comme tête d'article ;  
2° Les noms de lieu anciens ont été identifiés avec les noms modernes, sauf dans le cas où ces noms sont employés comme élément constitutif d'un nom de personne ;  
3° Les noms de lieu modernes ont été insérés dans la table à leur ordre alphabétique, avec renvoi aux noms anciens, toutes les fois que leur forme s'éloignait notablement de la forme ancienne. Le caractère italique a été employé pour ces renvois.
