This edition first published 1833
This digitally printed version 2010

ISBN 978-1-108-02110-4 Paperback

This book reproduces the text of the original edition. The content and language reflect the beliefs, practices and terminology of their time, and have not been updated.

Cambridge University Press wishes to make clear that the book, unless originally published by Cambridge, is not being republished by, in association or collaboration with, or with the endorsement or approval of, the original publisher or its successors in title.

The original edition of this book contains a number of colour plates, which cannot be printed cost-effectively in the current state of technology. The colour scans will, however, be incorporated in the online version of this reissue, and in printed copies when this becomes feasible while maintaining affordable prices.
