## CAMBRIDGE LIBRARY COLLECTION

*Books of enduring scholarly value*

### History

The books reissued in this series include accounts of historical events and movements by eye-witnesses and contemporaries, as well as landmark studies that assembled significant source materials or developed new historiographical methods. The series includes work in social, political and military history on a wide range of periods and regions, giving modern scholars ready access to influential publications of the past.

### The Works of Thomas Carlyle

Thomas Carlyle (1795–1881) was one of the most influential authors of the nineteenth century. Eagerly studied at the highest level of intellectual society, his satirical essays and perceptive historical biographies caused him to be regarded for much of the Victorian period as a literary genius and eminent social philosopher. After graduating from Edinburgh University in 1814, he published his first scholarly work on German literature in 1824, before finding literary success with his ground-breaking history of the French Revolution in 1837. After falling from favour during the first part of the twentieth century, his work has more recently become the subject of scholarly re-examination. His introduction of German literature and philosophy into the British intellectual milieu profoundly influenced later philosophical ideas and literary studies. These volumes are reproduced from the 1896 Centenary Edition of his collected works. Volume 18 contains the seventh volume of *The Life of Frederick the Great*.

Cambridge University Press has long been a pioneer in the reissuing of out-of-print titles from its own backlist, producing digital reprints of books that are still sought after by scholars and students but could not be reprinted economically using traditional technology. The Cambridge Library Collection extends this activity to a wider range of books which are still of importance to researchers and professionals, either for the source material they contain, or as landmarks in the history of their academic discipline.

Drawing from the world-renowned collections in the Cambridge University Library, and guided by the advice of experts in each subject area, Cambridge University Press is using state-of-the-art scanning machines in its own Printing House to capture the content of each book selected for inclusion. The files are processed to give a consistently clear, crisp image, and the books finished to the high quality standard for which the Press is recognised around the world. The latest print-on-demand technology ensures that the books will remain available indefinitely, and that orders for single or multiple copies can quickly be supplied.

The Cambridge Library Collection will bring back to life books of enduring scholarly value (including out-of-copyright works originally issued by other publishers) across a wide range of disciplines in the humanities and social sciences and in science and technology.

## vi HISTORY OF FREDERICK THE GREAT

CHAP.	PAGE
VI. PRINCE HENRI MAKES A MARCH OF FIFTY HOURS; THE RUSSIANS CANNOT FIND LODGING IN SILESIA .	120
Daun, Soltikof and Company again have a colloquy (Bautzen, September 15th); after which Everybody starts on his special Course of Action, p. 126.	
Four Letters of Friedrich's (10th-24th September), 129.	
Friedrich manages (September 24th-October 24th) to get the Russians sent home; and himself falls lamed with Gout, 137.	
VII. FRIEDRICH REAPPEARS ON THE FIELD, AND IN SEVEN DAYS AFTER COMES THE CATASTROPHE OF MAXEN .	151
VIII. MISCELLANEA IN WINTER-QUARTERS, 1759-60 . . .	165
Serene Highness of Würtemberg, at Fulda (November 30th, 1759), is just about 'firing Victoria,' and giving a Ball to Beauty and Fashion, in Honour of a certain Event;—but is unpleasantly interrupted, p. 167.	
What is Perpetual President Maupertuis doing all this While? Is he still in Berlin; or where in the Universe is he? Alas, poor Maupertuis! 170.	
Grand French Invasion-Scheme comes entirely to Wreck (Quiberon Bay, 20th November 1759): of Controller-General Silhouette, and the Outlooks of France, financial and other, 172.	
Friedrich, strange to say, publishes (March-June 1760) an Edition of his Poems. Question, 'Who wrote <i>Matinées du Roi de Prusse</i> ?'—for the second, and positively the last Time, 179.	
Peace-Negotiations hopeful to Friedrich all through Winter; but the French won't. Voltaire, and his Style of Corresponding, 184.	
Friedrich has sent Lord Marischal to Spain: other fond Hopes of Friedrich's, 201.	
IX. PRELIMINARIES TO A FIFTH CAMPAIGN . . . . .	205

## BOOK XX

FRIEDRICH IS NOT TO BE OVERWHELMED: THE SEVEN-YEARS WAR  
GRADUALLY ENDS. 25TH APRIL 1760-15TH FEB. 1763

I. FIFTH CAMPAIGN OPENS . . . . .	216
