- Rain and the new drain, 158
- Birds in a garden, 160
- Wood-pigeons in London, 16
- London flowers, 164
- Kew Gardens, 166
- Return to Ditchingham, 169
- Orchid houses, 170
- Clematis Ivy, 174
- Yews and Beeches, 174
- The Temple Flower Show,
176
- Notable features, 176–85
- Meadow-Sweet, 138
- Mice, 34, 126
- Miltonia Candida, 147
- Vexillaria, 166, 181
- Montbretias, 92, 277, 297

- Mushroom-bed, 20, 66
- Mustard, 7
- and Cress, 63, 104, 197
- Myrobella, 112

NARCISSUS, 61, 125, 130

Nectarine, 7

Nemesia Suttonia, 278

Norwich Show, 147, 148

NOVEMBER—

- Attending Protheroe and
Morris's sale, 350
- Working in the Kitchen
Garden, 353
- Opening a parcel of Orchids
from Colombia, 356
- Constructing a leaf-bin, 358
- A November order, 358
- Root-pruning Bush-Apples,
360
- Rat poison for cockroaches,
361
- Norwich Chrysanthemum,
Show, 362
- Giving advice about laying
out a garden, 363
- Prizes won at the Show, 364
- Converting the Mushroom
house into potting-shed, 366
- Orchids in November, 369
- Nymphæas*, 34, 155
- Luciana, 155
- Speciosa, 155
- Caroliniana, 155
- Odorata Exquisita, 155
- Aurora, 155
- Odorata Sulphurea Grandi-
flora, 155

OCTOBER—

- Creepers for houses, 332
- Progress at Kessingland, 333
- A new Apple, 333
- Shrubs to resist gales and
sea-spray, 334
- Report on Woburn Fruit
Farm, 338
