CHAPTER II.

EVENING RAGGED SCHOOLS.

Sunday Schools originally Ragged Schools, 110—116. Origin of the Present Ragged School Movement, 117—119. Evening Ragged Schools, 120—123. Conditions necessary to their Success, 124, 125. Increase of Juvenile Crime and Ragged Schools, 126—130. Actual State of existing Ragged Schools, 131—138. Good Results, 139—146. Effects of the Movement, 147, 148.

CHAPTER III.

FREE DAY SCHOOLS.

Free Day Schools, 149. Positive evil arising from ill-conducted ones, 150—154. Practical example, developing the Principles to be acted on, 155—186. Disadvantageous position of such Schools, as compared with British and other Pay Schools, 187—195. Free Day Schools for the Perishing and Dangerous Classes will not interfere with the Schools for the Labouring Classes, 196—199. Such Schools virtually excluded from Government Aid, 200—203. To have the desired effect they must be numerous and good; they cannot be so without Government Aid, 204—209.

CHAPTER IV.

INDUSTRIAL FEEDING SCHOOLS.

Vagrant Children training to Crime, 210—221. Free Day Schools alone cannot check the evil, 222—225. Juvenile Vagrancy and Crime in Aberdeen, 226, 227. Effects of Aberdeen Industrial Schools, 228—235. Objections answered, 236, 237. Parish Unions, 238—245. Industrial Schools inefficient without Magisterial co-operation, 246—251. Benevolent Efforts powerless under existing Legislative Regulations, 252—257. General Review, 258, 259.
