	Page		Page		Page
Deciduous Cypress, Mexico	56	George III. purchases Kew	7	Laurus Camphora (fig. 4.)	16
— Beech, from Fuego	42	George IV.	7	— Cassia	28
Dendrobia	33	Geranium spinosum	40	— Cinnamomum (fig. 24.)	28
Deodars	16, 57	Ginger	50	— Sassafras	55
Desmodium gyrans	52	Ginkgo tree (fig. 48.)	49	Leguminosae	13, 44
Dionaea muscipula (fig. 31.)	35, 36	Glastonbury Thorn	56	Lemon-grass	35
Dioscoreaceae	33	Glycine Sinensis	48	Leucodendron argenteum	43
Dioscorea macrostachya	25	Gnaphalium and Xeranthemums (fig. 41.)	48	Limes	16
Diosma or Bucku	43	Gossypium herbaceum (fig. 27.)	30	Lime-trees, American	56
Diospyros Virginiana	55	Graptophyllum hortense	35	Livistonia Borbonica	21
Dipladenia Harisii	52	Grasses	49	Locust tree	55
— speciosa	52	Great Stag's Horn Fern	45	Lonicera Sechellarum	52
Double Cocoa-nut	52	Grenadilla	35	Longan	27
Double Propagating-house	55	Greenhouse, Architectural	13	Lotus of North America	55
Douglas's Pine	13	Grissell and Peto, Messrs.	18	Magnolia fuscata	42
Dum Palm	23	Guinea Oil Palm	20	Mahogany tree (fig. 20.)	27
Durazna Draco (fig. 11.)	23	Gum-Drum tree (fig. 11.)	23	Mail, or Metal	42
Dragon's Blood tree (fig. 11.)	23	Gum-resin, from a Geranium	40	Mamee	52
Dryandras	13	Gum trees of Australia	15	Mammea Americana	52
Duckweed of tropical countries	34	Gutta-Percha Plant	50, 52	Mammea apple	52
Dumb Cane	53	Gynerium argenteum	32	Mammoth tree of California	42
Durians	52	Hand-plant of Mexico (fig. 2.)	14	Mangifera Indica (fig. 19.)	27
Dwarf Palm	20	Hardy aquarium	14	Mango tree (fig. 19.)	27
Echinocactus	38	Heath House	47	Manihot (fig. 23.)	27, 28
— Visnaga	38	Hedychium	54	Manna of the shops	56
Egyptian Arum (fig. 54.)	53	Herbaceous ground	31, 49	Manna-Ash	56
El Elah of Scripture	49	— collection, hardy	31, 49	Maple, woolly-fruited	56
El Spirito Santo	38	Hickories	56	— Red	56
Elais Guineensis	20	Hill, Dr., his plants of Kew	15	Maranta arundinacea	54
Elephant's Ear	47	Himalay mountain pines	15	— zebirina	54
Elephant's Foot	24	Horsetrust, red and yellow flowered	56	Medicinal plants	54
Elm of Ephesus, the	23	Hortus Kewensis, by Mr. Aiton	8	— sensitiva	51
Elms, Seven Sisters, so called	16	Hovea imbricata	31, 49	— speciosa	35
Encephalartus	24	Humble Plant	51	Mesembryanthemums	32
Ensete	23	Hunt, R., Esq., recommends green-stained glass	40, 41	Metrosideros robusta	42
Epacria	47	Huon Pine	12	Mimosa pudica	51
Epiphytes	33	Hyphose Thebaica	44	— sensitive	51
Ericaceae	37	— coriacea	44	Miro, or Mairi	8
Erythrina lanrifolia	46	Ilex Paraguensis (fig. 57)	55	Molyneux, Mr., proprietor of Kew House	6
Eucalyptus, or Gum tree	15	Indian Azaleas	52	Monsonia Burmanni	40
Euphorbia (fig. 28, 39.)	40, 41	— Cedar	57	Monster Cactus	38, and note
— antiqorum (fig. 39.)	41	— Fig (fig. 33.)	37	Moreton Bay Pine	15
— Bojeri	40	— Kale	53	Moving plants	51, 52
— grandidens	26	— Shot	54	Musa Chlensis	23
— helioscopia	26	— Teak	50	— Cavendishii	23
— melormis (fig. 38.)	40	Indigo (fig. 28.)	30, 31	— Ensete	23
— splendens	40	Indigofera Indica (fig. 28.)	30, 31	— paradisiaca (fig. 10.)	22, 23
Euphorbiaceae	36	Isonandra Gutta	50, 52	— sapientum (fig. 9.)	22, 23
Euryale ferox	18	Ivory Palm	21	Museum stove	49
Evergreen Beech and Deciduous do.	42	Jaxora	34	Museum	49
Everlasting flowers (fig. 41.)	43	Jamaica Fan Palm	20	Museum, new	31
Exotic department	20	Jatropha Manihot (fig. 22.)	28	Myristica officinalis (fig. 50.)	49
Fagus antarctica	42	Juniperus Bermudiana	15	Myrtaceae	13, 51
— betuloides	42	Kampferia Galanga (fig. 56.)	54	Myrtus bullata	42
— fusca	42	— Cowdie Pine	15, 43	Napoleonea imperialis	50
— Cunninghamii	42	Kauri, or Cowdie Pine	15, 43	Nelumbium speciosum (fig. 5.)	18
Fan Palms	32	Kew Gardens, rise and progress, and early history of, — transferred to the Office of Woods and Forests	10	Nepenthes distillatoria (fig. 45.)	46
Ferns	45, 47	Kew House, R. Bennett's, Esq.	6	— Rafflesiana	46
Fernery, temperate	54	— Lord Capel's	6	Nephelium Longan	27
Ficus carica	30	— Mr. Molyneux's	6	Nesfield, Mr.	16
— elastica	30	— Prince of Wales's	7	New Holland Acaecia (fig. 49.)	44
— Indica (fig. 25.)	28, 29	— George III.'s Palace	7	New Zealand House	41
— religiosa	30	King of Hanover's grounds	9	— Beech of	42
— Sycomorus (fig. 26.)	30	King-Plant of Ceylon	34	— plants of	42
Fig-Marigold	32	Kitchen Ground, Royal	12	— Flex (fig. 36.)	39
Figs	28	Koelreuteria	55	— Pine	16
Flinders, Captain, his voyage	8	— of the ancients	49	Nopals	37
Floating plants	34	Laburnum	49	Norfolk Island Pine	15
Forcing Ground, Royal	12	Lace, or Lattice-leaf of Madagascar	35	Nutmees	52
Fourcroya gigantea, its wonderful growth	39	Lace-Bark tree of Jamaica	50	Nymphsaeas	44
Fraxinus Ornus	56	Laelia superbens	33	Oaks, American	56
Frederick, Prince of Wales takes a lease of Kew House	7	Lagetta lintearia	30	— African	50
