## INDEX OF BOOKS,

WITH

## THE POSSESSORS' NAMES ANNEXED.

*The Names in CAPITAL LETTERS annexed to the Titles of Books refer to Public or Private Collections noticed in the volume; and those in Roman Letters to Libraries sold by auction.*

*Where an asterisk (\*) is prefixed, reference is made to the Minor Sales and Private Collections at the end.*

*To avoid numerous repetitions, the Names of Possessors, not inserted under their respective heads, are printed in Italics.*

*Ligatures, attached to two or more names, denote the respective Possessors of the same book; as "Caxton's Hyst. of Kynge Blanchardyn, &c." "Mason, 21l.—ROXB.—SPENC." This copy was purchased by the Duke of Roxburghe, at Mason's Sale, for 21l. and secondly, at the Sale of his Grace's Collection, by Lord Spencer. See Caxton's Hyst. of Blanchardyn, under the heads SPENCER and Roxburghe.*

*An explanation of the Abbreviations is inserted in the beginning of the volume.*
