

## I N D E X.

## A.

- A**MERICA originally destitute of domestic animals — page 6  
**ALBATROSS**, wandering — — 506  
 its vast migrations 507  
 Amulets of bills and claws of the Eagle 215  
 of the feathers of the King-fisher — — 280  
 singular, of a species of mushroom-room — — ib.  
**Ape**, Sea, extraordinary animal — 181  
**Argali**, or Wild Sheep — 12  
**AVOSSET**, American — — 502

- Terek — — ib.  
 scooping — — 503  
**AUK**, great — — 509  
 razor-bill — — ib.  
 black-billed — — 510  
 puffin — — 511  
 Labrador — — 512  
 little — — ib.  
 antient — — ib.  
 pygmy — — 513  
 tufted — — ib.  
 Perroquet — — 514  
 crested — — 515  
 dusky — — ib.

- Bear**, polar — — — page 53  
 their skins anciently offered to the church — — — 57  
 black — — — ib.  
 not carnivorous — — — 58  
 brown — — — 61  
 carnivorous and granivorous — — — 62  
 chace of the Bear by the Indians — — — ib.  
 Laplanders — — — 65  
 Finnish song on the death of 66  
**Beaver**, its wondrous economy — 99  
 Musk Beaver — — — 106  
 forms houses like the Castor Beaver — — — 107  
 Beaver. See Otter.  
**Bats** — — — — 184  
**Beluga**, a species of Porpois — — — 182  
**Bison**, its limits — — — 2, 3  
 chace of by the Indians — — —  
**Bison or Ox**, musk — — — 8  
 its excellent wool 9  
**Boars**, wild, their most northern residence — — — 35  
**Buck** — — — — 33  
**Buzzard**, common — — — 207  
 honey — — — 224  
 moor — — — 225  
**Butcher-bird**. See Shrike  
**Bustard**, Norton Sound — — — 321

## B.

- Badger**, sometimes white — — — 71  
 4 F 2

- great — — — ib.  
 little — — — ib.  
**BUNTING**,
