

Sim lived in the rainforest.

Every day, she went exploring  
to see what she could see.

But today, something was different.

She could hear a loud noise.

An enormous elephant was standing beside  
Sim's favourite pool. He was crying.

‘What’s the matter?’ Sim asked.

‘I’m too big,’ the elephant sobbed.

‘My friends can’t climb up  
onto my back to have a ride.’

Sim had an idea.

‘Wait here,’ she said, and off she ran.
