

THE FRAGMENTARY LATIN HISTORIES OF LATE ANTIQUITY (AD 300–620)

The first systematic collection of fragmentary Latin historians from the period AD 300–620, this volume provides an edition and translation of, and commentary on, the fragments. It proposes new interpretations of the fragments and of the works from which they derive, whilst also spelling out what the fragments add to our knowledge of Late Antiquity. Integrating the fragmentary material with the texts preserved in full, the volume suggests new ways to understand the development of historiography in the transition from Antiquity to the Middle Ages.

LIEVE VAN HOOFF is Professor of Ancient History at Ghent University. Trained as a classicist, historian and political scientist, she studies the socio-political role of literature under the Roman Empire. Her publications include *Plutarch's Practical Ethics: The Social Dynamics of Philosophy* (2010) and *Libanius: A Critical Introduction* (2014). Together with Peter Van Nuffelen, she has published the *Clavis Historicorum Antiquitatis Posterioris* (2020), a full inventory of late antique historiography, and a translation of Jordanes' *Romana* and *Getica* (2020).

PETER VAN NUFFELEN is Professor of Ancient History at Ghent University, where he has led an ERC-funded team on late ancient historiography. He has published widely on Late Antiquity, early Christianity, and ancient religion and philosophy. Recent books are *Orosius and the Rhetoric of History* (2012) and *Penser la tolérance dans l'Antiquité tardive* (2018).

Acknowledgements

The entries on Nummius Aemilianus Dexter and Maximian of Ravenna substantially reprint L. Van Hoof, ‘The Omnimoda Historia of Nummius Aemilianus Dexter: A Latin Translation of Eusebius’ Chronography?’, *Vigiliae Christianae* 71 (2017): 199–204 and L. Van Hoof, ‘Maximian of Ravenna: Chronica’, *Sacris Erudiri* 55 (2016): 259–76. They are republished here with the kind authorization of (respectively) Koninklijke Brill NV, Leiden, The Netherlands, and Brepols Publishers, Turnhout, Belgium. The editions of Favius, Ablabius, and Cassiodorus use material from P. Van Nuffelen and L. Van Hoof, *Jordanes: Romana and Getica* (Translated Texts for Historians), Liverpool: Liverpool University Press, 2020. Except for Dexter and Maximian, all entries are fully co-authored, with Lieve Van Hoof focusing on the editions and translations of the texts, and Peter Van Nuffelen on the introductions and commentaries; he is also responsible for the general introduction to the volume. Since, however, we have read, commented upon, and contributed to each other’s work, we both assume full responsibility for the whole volume. We thank Sara De Decker for help with the editions and translations and Dr Tine Scheijnen for checking them. Thanks also to Dr Lorenzo Focanti, Dr Andy Hilkens, and Dr Marianna Mazzola for help with the entry on Bruttius, and to Dr M. O’Farrell for improving our English. The bibliography and notes were formatted by Lotte Van Olmen. We owe thanks to P. Blaudeau, R. Collins, G. Galdi, H. Reimitz, J. Wijnendaele, and J. Wood, as well as to the reviewers for Cambridge University Press for their feedback and suggestions. We owe a great debt to our copy-editor John Jacobs for his thoroughness and expertise, which have been of great benefit to this volume. Obviously, we assume responsibility for all remaining errors and opinions expressed in this book. The research leading to these results has received funding from the European Research Council under the European Union’s Seventh Framework Programme (FP/2007–2013) / ERC Grant Agreement

n. 313153. This book was finalised when both authors were research fellows at the Otto-Friedrich-Universität Bamberg in 2019–2020, funded by the Alexander von Humboldt Stiftung and the Research Foundation – Flanders (Lieve Van Hoof), and the ERC Starting Grant ACO, directed by P. Riedlberger (Peter Van Nuffelen).
